Former Wellington Resident Travels to Beaver Bank to Take Part in Parade of Lights

As a member of the Regional Firefighters Interpretation Centre, Fall River, Jim Lackie loves to drive the 1958 American LaFrance pumper. Although he moved from Wellington, NS to St John, New Brunswick, earlier in the year he vowed to be in the Beaver Bank Parade of Lights with his favourite pumper. Jim traveled from St. John, NB to drive his favourite fire truck, No. 17, in the Beaver Bank Parade of Lights. Jim was

accompanied by Dave, Lewanne and Kim and special parade presenters Madison and Valkyrie who got to ride in the hose bed.

The Interpretation Center, a non-profit association has a wonderful collection of firefighting memorabilia and equipment and the building at 3214 Highway #2, Fall River, Nova Scotia is open to the public for all to enjoy, learn and

remember. The facility recently experienced some roofing problems and some water damage but will re-open in the spring.

For further information, visit their website at www.rficns.com.

-Special thanks to Ken Meisner for submitting this story.

Because You Gave, We Can Give

This letter was recently sent to my attention and I thought it would be nice to share with the community.

"Thank you to those who have contributed in any way to the needs of the people who are supported by the Gateway Food Bank.

Together with Feed Nova Scotia, we are supplying approximately 60 households with turkeys and food at this Christmastime. The food hampers include extras that help make this season a pleasant time for families and individuals! We have an "angel" tree for people to buy a small gift for children of those families, and we deliver the hampers to them.

The working poor, senior citizens, people on disability, pensioners, single parents, people who have lost their jobs suddenly, and people with serious illnesses are but a few

situations where we are able to help! And, it's all because others have a heart to see needs met in our community that we can keep going.

We really appreciate those who donate and because of you we can do so much more than we otherwise could. For those of us who volunteer we get great satisfaction from seeing joy brought to others.

Special thanks go to: people and organizations and businesses who provide groceries; several churches in our community who collect and bring food; a school who collected food and gave; church attendees who give money on a regular basis and when special needs arise; individuals who drop off donations of money or food (including turkeys); people who help during the month of December; those who wrap the hamper boxes; those who have

filled the hampers and those who have delivered them; and a great team of regular volunteers who faithfully show up every week to prepare orders for the clients. We also appreciate those who come to give back when they don't need help from the food bank any longer!!!

Our Pancake Breakfast fundraiser brought in more than \$1500. Thanks for participating!

Thank you to the Beaver Bank Kinsac Bulletin that featured us in the last issue, making us known in the community!

Again many thanks to anyone who has helped in any way big or small all helps in the big picture. We could not do this without your help!"

Lions Club Raise the roof Campaign – Building for a better Tomorrow – Today

The **Beaver Bank – Kinsac Lions Club** is about to undertake a challenging and most worthwhile project - expansion of the present building located at 40 Sandy Lake Road. This expansion will see an addition added to the front portion of the Club; the dimensions of which are 24 x 20. It will take many hands and donations, whether in the form of monetary or materials, not to mention the time and hard work to make this project a success. We have the can do attitude and at the same time are excited to get things started.

As a non-profit organization, our funds are extremely limited as the monies that are raised throughout the year, go back into the community to support the community. Over the years, we have been known as the small Club with big hearts.

Beaver Bank – Kinsac Lions Club is seeking your help. The plans are drawn up and we are not far from starting this project. With this in mind, we will be seeking donations: cash, materials, services, time, etc. This undertaking will not succeed without the kind generosity of many, many people and businesses. Our **“Raise the roof Campaign”** has gotten off to an exciting start at our monthly General Meeting held on 20 October 2015. The Club was presented with a cheque for \$20,000.00. What a fantastic way to start, but a long way to the finish line.

All persons or businesses donating to the **“Raise the roof Campaign”** will have their names engraved on a plaque which will be displayed on a wall of the new

addition in recognition of their support. No donation, whether in the form of monetary, materials or services, is too small.

We hope you can participate with us in the exciting campaign. Additionally, all donors will be invited to attend the grand opening once expansion is complete.

To donate, please contact Lion Bob Trowsdale 902 441-6669 or Lion Bev Hubley 902 865-9415.

Thanking you in advance for your participation.

Happy New Year Beaver Bank!

Beaver Bank Kinsac Community Centre

Happy New Year to all! From all of us at the BBKCC, we hope you had a great holiday season and wish you and yours all the best in 2016!

Breakfast with Santa

Thanks to all who came out and supported Breakfast with Santa! We served a record breaking 553 breakfasts! Thank you to all the supporters in the community and the volunteers who make it happen! Congratulations to Zach Hendsbee who was the proud winner of the Diamondback BMX bike! Keep an eye out for our next breakfast, Breakfast with the Easter Bunny - hope to see you all there!

Chase the Ace

The BBKCC and The BBK Lions Club present:
CHASE THE ACE THURSDAY NIGHTS AT THE BEAVER BANK KINSAC COMMUNITY CENTRE!
TICKETS ON SALE 6:30-8:00PM
DRAW AT 8:15PM!!
WINNER EVERY NIGHT!
TICKETS: \$5 EACH, 3 FOR \$10 OR 7 FOR \$20!

What is Chase the Ace?

Drop in and purchase your tickets between 6:30pm and 8:00pm. At 8:15 pm there will be a 50/50 style draw where the winner will take home 25% of that night's proceeds. 50% of the proceeds will go to the house and the other 25% will go into the pot. The winner of this draw will then get a chance to pick a card from our deck - we will flip the card and if it's the ace of spades they get the

pot! If they do not pick the ace of spades then the pot remains in play and grows each week!! So grab some friends and come out for a chance to win some CASH!! Cash bar and canteen on site!!

Happy New Year!!!

Happy New Year!!! I hope you and your family had a holiday that was filled with happiness and cheer. It has been an honour and a pleasure meeting and working with many of you throughout this past year. I wish you the best of holidays and a prosperous 2016.

Office Hours in Beaver Bank

I will continue to hold office hours in Beaver Bank at the Beaver Bank Kinsac Community Centre on Monday's 1:00 p.m. – 3:00 p.m. Our next scheduled date is January 18, 2016. Please drop in to discuss any issues you may have or just drop in to say hello. If there are any government publications or applications that you would like us to bring, just let us know (902-576-3411). You can look for our Constituency Office sign in the parking lot during these hours. I look forward to seeing you there

Legislation to Ensure Financial Sustainability

Last month, the Public Service Sustainability Act was introduced. This legislation provides public sector employees with fair, affordable wage packages. Nova Scotia and Nova Scotians cannot afford a more costly settlement than that contained in the legislation – period.

The legislation also ensures newer or lower paid civil servants receive larger pay increases, some will see increases of as much as five per cent per year. This piece of legislation also ensures that collective bargaining can continue: everything is negotiable except the overall wage packages – we hope

our partners will have these discussions at the table with us.

Nova Scotia's fiscal plan and our labour settlements are about preparing Nova Scotia for long-term progress. All Nova Scotians have to play their part as we position the province for a stronger future. We have to continue to make tough choices so we can invest in quality health care, deliver first-rate education, and build essential new infrastructure in the future.

Winter Assistance

Heating Assistance Rebate Program

Applicants must be able to show proof of payment for heat and meet the income thresholds: Single households with a net income of \$27,000 or less, and households with two or more people with a net income of \$42,000 or less, qualify. Applicants who receive the Guaranteed Income Supplement or Income Assistance also qualify. The HARP program offers a rebate cheque of up to \$200.00.

Home Warming

For homeowners who qualify, the HomeWarming team provides an energy audit and works with you to determine the energy efficiency upgrades that make the most sense for you and your loved ones. The HomeWarming team then takes care of managing sub-contractors to have the upgrades completed at no cost to you.

To qualify you must own a single unit home and can provide proof of ownership. You live in your home year-round and you do not plan to sell it in the near future. Income Qualification is as follows:

1 person	\$20,952
2 – 4 people	\$38,931
5 + people	\$55,444

For further information on these programs, please contact our office at 902-576-3411.

Legislative Page Program

The House of Assembly is accepting applications for the Legislative Page Program (2016 Fall Session – 2017 Spring Session). The program provides students with an excellent opportunity to participate in the democratic process while earning income to help out with their education expenses. Application to the program consists of a resume, two letters of reference, a copy of your latest academic transcript, and a short covering letter explaining how you hope to benefit from participation in the program. You can mail or drop off your documentation to:
Legislative Page Program
House of Assembly Operations
2nd Floor, Province House
1726 Hollis Street
P.O. Box 1617
Halifax, Nova Scotia B3J 2Y3

The deadline for applications is Friday, February 26, 2016. Interviews for the Legislative Page Program take place at Province House during the month of March. For more information about the program, e-mail pages@novascotia.ca

Remembrance Day Ceremony held in Beaver Bank Kinsac

On November 11th, 2015, on the anniversary of the eleventh hour of the eleventh day of the eleventh month of the Great War, Beaver Bank Kinsac joined the nation in remembrance of our Veterans.

The ceremony began with the march to the Cenotaph and words of welcome by Master of Ceremonies, Lisa Blackburn. The prayer was led by Reverend Mike Zottarelli and Chief Petty Officer Second Class Ron Rideout recited "In Flanders Fields".

Many wreaths were then laid beginning with Joanne Pasha who laid a wreath on behalf of Walter Lively, one of the founders of our Cenotaph.

The following officials were on hand to lay wreaths: representing the Government of Canada, Daniel Campagna, representing the Government of Nova Scotia, Bill Horne and Stephen Gough.

Personal wreaths were then laid by Judy Barkhouse, Karen Bungay, Christine and Darlene Thomas, Jim & Marlene Cullen, Grayson Peters and Constable Saxon Peters, Joanne Pasha, Fred Gallop, Lathum DeWolf, Kelly Potter and Sandra Tanner, Nathalie Bowden, Kathlene Shunamon, Jenny Barlow, Jessica Davison, and Dianna Doherty.

Wreaths laid by community groups and organizations included: the Beaver Bank Community Policing Volunteer Association, 4th Sackville Scouting, 2nd Beaver Bank A Colony Beaver Scouts, 2nd Beaver Bank Scouting Group, 2nd Beaver Bank Cubs, 8th Sackville Colony, Kinette Club of Sackville, Lions Club of Beaver Bank Kinsac, St. John's United Church Beaver Bank, 6th Sackville Beavers, Beaver Bank Kinsac Community Centre, Girl Guides of Canada (Carter District), Kinsman Club of Sackville, Beaver Bank

Kinsac Fire Department, and the 2nd Beaver Bank Beaver Scouts.

Following the wreath laying ceremony there was a reading of "Why Wear a Poppy?". The playing of the last post followed with the moment of silence.

Thank you to all those who participated and helped prepare this year's ceremony.

Update from Station 48 – Happy New Year!

Happy New Year from the members of the Beaver Bank – Kinsac Volunteer Fire Department, proudly serving our community for over 50 years. On behalf of the members, I would like to thank the community for your support in 2015 and we wish everyone a safe and prosperous 2016.

Your fire department continues to be busy training and responding to calls within our community. Since the last update, we have responded to 19 calls; 11 medical assists, 3 motor vehicle accidents, 2 alarms activated, 1 carbon monoxide alarm, and 2 structure fires. This brings our total to 119 responses for assistance. By the time the Bulletin gets published we should be above our normal average of 120 responses per year.

With winter finally here, here are a few safety tips from your friendly neighborhood firefighters that will hopefully help prevent a call for us to visit your home.

Driving Habits – Our road conditions can change quickly with the winter weather. Black ice, snow covered roads, and longer hours of darkness during our regular commute are a real concern. Some suggestions are the use of appropriate winter tires, a roadside emergency kit, a blanket, and a good snowbrush to keep your windshield and windows clear of that dirty ice and snow. The main tip is to drive for the conditions showing, slow and steady will always get you safely home. If you don't have to be on the roads, then relax at home.

Ice Safety – With the temperature dropping, the ponds will start to freeze over and turn to ice covered playgrounds for everyone. Before you venture out on the ice, have a responsible person check the thickness of the ice. Some of our ponds in the area (Barrett Lake & Tucker Lake) have the ice thickness measured by HRM. You can check out the HRM website for these Ice Thickness Reports and safety notes about activities on frozen ponds and lakes. As a general guide – a person skating alone on ice requires 15 cm of ice thickness. For a skating party or group – 20 cm. For a snowmobile or ATV – 25 cm of ice thickness is recommended.

Adopt A Hydrant – For our residents who have a fire hydrant near their property, the fire department would like you to “adopt” the hydrant this winter. If

you have the time and opportunity, why not keep it clear of ice and snow. This not only helps the fire department in protecting your home in the event we are called there, but the homes of your fellow neighbors.

January and February will continue to be busy months for the volunteers of your fire department. Besides the regular training and call outs for emergencies, the Fire Department will be taking some extra refresher training to keep our members up to date and current in our skills.

On behalf of the members of the Fire Department, from our families to yours, we would like to wish everyone in the community a Happy New Year and a safe 2016.

Until next time – stay and play safe.

Kevin Crewe – Station Chief
