## HTB PTA Fundraising For Multi-Sports Pad

Did you know that construction of a huge multi-sport pad on the HT Barrett Junior High School property is slated to begin in the spring of 2011? This 60' X 40' pad will provide the youth of Beaver Bank with a place to go and engage in multiple physical activities (Basketball, tennis, ice hockey etc). Fundraising/Grant applications are taking place now. Coming up in September, we will be selling 1000 tickets (\$2 each) on a chance to win a Netbook with the proceeds going to the construction project. Also, later in the Fall (just in time for Christmas and the 2011 New Year), we will be building a Beaver Bank Calendar where students will submit pictures of Beaver Bank (landmarks etc) to be used in the calendar. Each 2011 calendar will be sold for profit with all proceeds going directly to the multi-sport pad construction.

Have a great summer,

HTB/PTA and Community working together!

## Would You Like A Doctor in Beaver Bank?

Charles Beaver, the pharmacist-owner of the Beaver Bank Guardian Drug Store is seeking your support for permanent doctors in Beaver Bank. If you are interested in having a local doctor please visit the Pharmacy and sign the list. Mr Beaver currently has an agreement with a male & a female doctor to work part-time from an office here, and he is currently looking for a lead physician. If successful, the space next to the Pharmacy will be renovated and expanded into an office. Please show your support and stop in to the Guardian.

## **Introducing New Fire Chief Tim Keddy**

First thing I would like to do is to thank the past Chief of our Fire Department, Gord West, for his years of service and his continued support. Gord has moved on as a District Chief for HRM but continues to help our department and the community whenever possible.

I would also like to introduce myself to those who don't know me. I have lived in Beaver Bank for almost 45 years and have been a member of the Fire Department for 21 years. I have been the Acting Chief in Beaver Bank for a couple years and became Chief on May 4<sup>th</sup>.

For the months of May and June your Fire Dept. has responded to 32 calls. They consisted of: 1 power pole fire, 1 fire investigation, 1 MVA, 2 brush fires, 2 structure fires, 3 alarms activated, 4 illegal burns and 18 medical assists. This brings our total for the year to 82. Once again medical assists make up the majority of our calls.

So far this year we have been lucky to not have any major brush fires in our area. If we all burn responsibly we can continue this trend. For those who do plan to burn remember that it is only legal to burn brush and you will require a burning permit. You can obtain a burning permit at the fire hall any Tuesday night from 7-8 pm. If you have an approved burning appliance, such as a chiminea, you will not require a burning permit but there are regulations you will need to follow. These and other regulations regarding outdoor burning and outdoor burning appliances can be found by going to [www.halifax.ca](http://www.halifax.ca) and clicking on the "Can I Burn in HRM" link.

Now that the kids are out of school we will be seeing a lot more bicycles on the Beaver Bank and Kinsac roads so we all need to drive with a little more caution. We are also seeing a lot more cars parked along Tucker Lake with people cooling off in the lake so slow down and keep an eye open for people walking out from between the parked cars.

In closing I just want to say how great it is to be the new Fire Chief here in Beaver Bank Kinsac and I hope over time I get to meet you all, of course at a social gathering and not at an emergency scene. Play safe and enjoy the summer weather.

*-Tim Keddy, Chief BBKVFD*

## **Carolyn Pitts is the New King Lion**

The Beaver Bank Kinsac Lions Club was very proud to present 2 bursaries at the Lockview High School graduation, both for \$500.00, one going to Brad Busby and the other going to Megan Dunn. Congratulations to all the graduates

The Canada Day celebrations were a great success thanks to all who supported us at our Barbeque. The Lion's club will continue with it's Friday night suppers for the summer months so come on over and show your support, it is well appreciated.

We will continue to collect used eyeglasses, stamps, ink cartridges, and are now looking for used hearing aides under 6 years old. These can be dropped off at Hartlen's Esso or you can call me and someone will pick them up.

On Aug 21 the Lions will take part in the Community Wide Yard Sale and will set up in the parking lot at Hartlen's Esso. If you would like to donate anything please call Lion Don Graham at 864-1919. We will have a good assortment of wrapping paper, ribbons, and streamers, priced at 25 cents for each new package.

The Club would like to thank Past King Lion Wade Aalders for all he has done over the past 2 years in keeping the club successful, I'm sure we will be able to find lots for him to do now that he has finished his term. The Club is always looking for new members if you have some spare time we meet every 3rd Wed of the month. Come over and introduce yourself or call our membership Chair Lion Don Graham at 864-1919 and he would be glad to give you the information you need. Our next general meeting will be held Sept 15<sup>th</sup>.

*-King Lion Carolyn Pitts*

## Draft of New Building Presented at BBKCC AGM

The BBKCC Annual General Meeting was held on Thursday, June 24<sup>th</sup>, 2010 at HTB School. Over 40 people were in attendance. Special guests included Councillor Barry Dalrymple, Ivy Warren, Tracy Burns-Gagnon and Bogdan Hadlaw, all from HRM.

After the business meeting and the nominations of the Executive and Board of Directors, a list of all past and present Volunteers was presented on the power point presentation. Chair Tom Margeson extended a thank you to everyone who ever volunteered on the Board of the Community Centre.

This year the 2010 Business Award went to Jack MacAloney & Joy Jewer, owners of the Black Crow Pub. They have previously supported one of our Annual Golf Tournaments, and helped us advertise for our Community Centre Events. Even after their business closed their doors they still support the Community Centre by letting us keep our mobile sign on their lawn, and they keep the grass mowed around it.

The highlight of the evening was the report from the new Community Centre steering committee. The first draft of the floor plans was unveiled. We wanted everyone to know we are still on track with the new Community Centre design and tender process with a ground-breaking ceremony planned for September and the Grand opening in early Spring. Community members could see the changes that are planned for the new Centre. HRM has approved more square footage than what we had before we lost our Community Centre on September 23, 2009.

### Our Board of Directors for 2010-2011:

Chair—Tom Margeson  
Vice Chair – Elson (Mannie) Lewis  
Treasurer – Anne Driscoll  
Secretary – Eleanor Lewis  
Bar Manager – Darcy Hendsbee  
Past Chair – Fred Gallop  
Members – Krista Hippenstall; Charlene Eary;  
Karin Harrison and Lisa Paterson  
Policing Office Rep – Linda Keddy

### Canada Day

Our second annual Canada Day was a great success. We enjoyed a pancake breakfast, pick up hockey tournament for kids, flag raising ceremony, country fair, youth talent concert, potluck supper and local talent beer garden only to end the day off with a spectacular fireworks display. A great big **THANK YOU** goes out to all the volunteers who made this possible as well as Councillor Barry Dalrymple, MLA Percy Paris, Peter Stoffer, Sperry and Partners Architects, Halifax Regional Municipality and Heritage Canada. It was great to see so many faces out celebrating our nation right here in Beaver Bank. If you didn't get a chance to get out or to see the fireworks, you missed a show! Hopefully we'll see you next year!

### Summer Day Camp

Our camps are still accepting registrations- Ages 5-12, \$25/ day; Regular hours are 8:30 am-4:30 pm with early drop off at 7:30 and late pick-up at 5:30. Call today to ensure your spot! Some highlights for August include a visit from the reptile man, a dominos workshop and day trips! Check out the web site for more info or call today 865-5114.

### Golf Tournament

Our 8<sup>th</sup> annual Golf Tournament will be held August 7, 2010 with a tee off time at 2 pm – Lost Creek Golf Course. Always a good time had by all. The cost is \$80 per person and includes a round of golf, steak dinner and prizes. Call Joseph Gudger at 865-1612 for more information or to register

### Zumba Fitness Fundraiser

See page 10 for information about this fundraiser that will benefit both the Community Centre and the Canadian Breast Cancer Foundation.

### Guess Who's Coming to Dinner?

## Guess Who's Coming to Dinner? – II

Here's a great way to end summer on a celebratory note! Gather a group of friends for a "night out" in Beaver Bank. At \$15, per person, it's a great deal and every penny goes to the rebuild of the BBKCC. Or you can also participate by hosting a dinner – fire up the BBQ! And the guests will arrive.

How does this work? You can volunteer to host 2, 4, 6, 8 or more guests at your home on Friday, August 27 or Saturday, August 28. They will arrive at 6 pm on the evening you have selected. Or you can gather a group of friends to go to dinner. On the evening you have chosen you will receive a call at 5 pm with directions to your dinner party location.

For testimonials from the first dinner in February and/or application forms check out the BBKCC web site. For further information contact Norma 869-5677 or Danielle at 864-4823.

## Policing Office & C@P Site

The RCMP Community Policing Office will reopen in September after the school holiday. It will be open 5 day a week in HTB JR High, during school hours only. Sign in to the Main Office and you will be pointed in the right direction. Also the C@P site now has a computer for public use at the Policing Office, the volunteers will be happy to help you. The phone number is 864-6072.

## Lost Creek to hold Community Street Party

the winter, you can lace up your skates and take a spin around the pond.

The Lost Creek Community Association is a non-profit, volunteer-led group of local citizens who are working with HRM to make this park happen. The first step is to raise money. Right now we're selling tickets on a golf package – green fees and carts for four at the Lost Creek Golf Club.

This whole endeavor, however, is not just about raising money, but also about building community spirit. And with that in mind, we're planning a street party to be held on August 8<sup>th</sup> from 1 pm to 4 pm. There'll be a BBQ, games, street hockey, face painting and more. It will be a great chance for people to have some food and fun while getting to know their neighbors.

We encourage everyone to check out our website at [www.lostcreekpark.com](http://www.lostcreekpark.com) for more information on all of these events or to find out how you can get involved.

## Scouting News

Well school's out and summer programs are on their way but before you know it school will be starting up again. If you can't seem to decide what activities to put your children in to keep them busy during the fall and winter months, why not try Beavers (ages 5-7) Cubs (ages 8-11) and Scouts (ages 11-14) in 2<sup>nd</sup> Beaver Bank. We do all sorts of fun things like adventure hikes, crafts, camps, games and lots more, just join up and see.

Our registration this year is happening currently set **for September 8<sup>th</sup> at 6:30 pm at Harold T. Barrett Jr. High School**. Don't forget your child's health card and any medical information. So mark the date on your calendar. If there are any changes in the date of registration, notices will be set on the scout sign and in the schools newsletters.

As always we are looking for new leaders for beaver, cubs and scouts and group committee, if you are interested in helping these kids have fun and make new memories, please contact our Group Commissioner Jonathan Ritchie, at 865-3094 or come and fill out a registration form on registration night. Again that night is **Wednesday September 8<sup>th</sup> at 6:30 pm at HTB School**. Come on and join the fun!! And make memories that will last a lifetime!!

## Going Green and Cleaning Up the Roadsides

The Going Green Roadside Cleanup was a great success, and the people who turned up had a really great fun time working together. The BBQ was the reward for helping and it was certainly enjoyed by everyone.

We were really pleased to see the amounts of garbage we have to pick up lessening each year, and the Community has to be congratulated for taking such a pride in their surroundings, and really GOING GREEN. We wish to thank all the people who kindly gave our community donations towards the BBQ. We appreciate your contribution.

## Friends of Ivy Meadows Residents Society Went Down the Secret Garden Path

"Come Down the Secret Garden Path", a garden event, took place Saturday June 19<sup>th</sup> at 31 Barrett Road in Beaver Bank. Jeanine and Owen Hazel opened their blooming rose garden to host a fundraiser staged by the Friends of Ivy Meadows Residents Society. This society raises funds in order to purchase and run the recreation bus used by the residents of Ivy Meadows in North Beaver Bank.

The premier event consisted of information stations, guest speakers with demonstrations, a silent auction, a plant sale and other activities populating the afternoon. The sun was shining, the breeze was blowing and the air was steeped in rose-scent as the guests moved around thousands of fragrant old-fashioned roses.

The Society made the draw for a garden themed lottery, which they conducted in the months leading up to this event. The prizes consisted of a wooden garden bench won by Betty O'Halloran; outdoor solar lights won by Marg Willett and Barb Carr won the gift certificate worth \$25 from Atlantic Gardens. Congratulations to the winners are extended from FOIMRS.

Volunteers and participants agree that it was an afternoon well spent.

## The Ride to Conquer Cancer “Quite Possibly Canada’s Fundraiser”

Hello Beaver Bank, my name is Jimmy Nursey and I have been resident of this wonderful community for over 30 years. Much of my childhood was spent riding in and out of our many subdivisions and up and down the extensive Beaver Bank road.... either with or without my Mothers permission. I remember a time when riding the Beaver Bank Road felt so very long and almost impossible. Now that is more meaningful when speaking about beating the morning traffic or getting out of Tim Hortons... Man things have changed over the years.

Recently I took on a much more mature and current challenge. On the 12<sup>th</sup> & 13<sup>th</sup> of June, I took part in one of the most fulfilling events I have ever been involved with. This was the 3<sup>rd</sup> annual Ride to Conquer Cancer, Benefiting the Campbell Family Institute at the Princess Margaret Hospital, based in Toronto, Ontario. This hospital is one of the top 5 Cancer research facilities in the world. Yes, the world... right here in Canada.

The ride takes place over 2 days, which begins in Toronto and ends in Niagara Falls, riding through many outlier communities off the extremely busy highways of Southwestern Ontario. That’s over 200 km and for the adventurous over 300 km of well laid out terrain providing a humbling feeling knowing there is much more to Ontario

than the busy Metropolis of Toronto.

This event was formed from the desire and need to help overcome Cancer, an extremely devastating disease, which affects 2 in 5 people.... Yes that means that 40% of the population will hear the words “you have cancer” in their lives. Many of us have not been affected directly by Cancer, but we all know someone who has.

In the fall of 2009, I was asked by a co-worker to sponsor her in the ride to which I replied, “How can I take part?” She enlightened me on the details of the event and within days I had registered. I understood the event would be very involved but I had no idea how great. The major event sponsors range from West Jet, KPMG, CTV, The Globe and Mail and Vitamin Water to name a few. The event this year generated over \$16 million dollars from over 4100 riders.... That is just in Ontario alone. There are 3 other rides which take place in Quebec, Alberta and BC and they all support local hospitals looking to defeat this destructive disease.

There were so many different people taking part in the ride, who ranged from the extremely fit to the recreational riders and there were some significantly inspiring stories among the participants. Anyone who was

inspired by the cause was very motivated to be involved.

I pledged to raise the minimum of \$2500 this year by August 10th and hope to double that next and hopefully do the same year over year. To this point I have raised half of my goal and I would be very gracious and thankful to anyone who is able to help continue my sponsorship goals. My personal web page can be found at <http://www.conquercancer.ca/goto/richardnursey.com> any donation amount would be put to an amazing cause.

Thanks to all who took the time to read this article and at one point I would like to be able to ride in Nova Scotia supporting our own local Cancer research and facilitation. After taking part in such an amazing event, I felt it was necessary to share my experience and pass along the message that we can definitely work together to achieve success and Conquer Cancer in our lifetimes.

## Alice Performed in a Dessert Wonderland at BBK

Alice In Wonderland

Written by Lewis Carroll

Adapted by Kathryn Schultz-Miller

On Wednesday June 2<sup>nd</sup>, ninety-six people attended the BBK Spring Play, "Alice In Wonderland". Fifty-five students in grades 3 to 6 took part in the play. BBK's music teacher, Jennifer Sterns, was in charge of the play. The gym was set up with tables and chairs and was decorated with many playing cards strung about. There were fruit and dessert trays along with tea, coffee and juice for refreshments.

The parents of the students provided the costumes. Special thanks to Mrs. Bezanson for the aprons for the five girls who played Alice. Grade 4 teacher Mrs Power, with help from students, did a wonderful job with the props. The attractive backdrop was on loan from Hammonds Plains elementary school, who also performed the play.

The students practiced from Jan to May. A special thanks to Mrs Kavanaugh who helped with the drama at after-school practices. It was a delightful play enjoyed by all who attended. If it were to receive a grade-mark it would be an A+.

## School Staff Wish Everyone a Great Summer

On behalf of the staff at BBK, Principal Brendan MacGillivray, Vice Principal Angela Comeau and Administrative Assistant Susan Duzak would like to extend their gratitude for a great year of support for the school. They wish the students and their families a happy and safe summer.

The staff and students of Harold T Barrett Junior High School would like to thank the Beaver Bank Community for their support throughout the 2009-10 school year. Mr Moore (Principal), Mr Ferguson (Vice Principal) and Mrs Meek (Secretary) would like to thank everyone who went out of their way to make them all feel very welcomed. Both Mr Moore and Mr Ferguson are looking forward to serving the community of Beaver Bank for the next few years. They would like to remind the Beaver Bank citizens to support the \$70,000 construction (multi-sport pavement pad) project that will take place on the school property over the next couple of years. Please get behind upcoming fundraisers that will help improve the physical fitness opportunities for the youth of Beaver Bank for many years to come. Late registration day for new students is on August 26<sup>th</sup> and the first day of school is scheduled for Sept 2<sup>nd</sup>.

-Jamie Moore

The staff of Beaver Bank Monarch Drive (Principal Wallace MacAskill, VP Lynn Stewart and secretary Dianne MacDow, seated) wish all of our school community a safe and happy summer. Hoping you all get to enjoy the summer months and take in some activities as a family. Looking forward to seeing you all in September.

## Emily Sheen Receives Social Justice Award From Minister Paris

Since becoming an MLA in 2006, I have furnished the Percy Paris Award for Social Justice. The recipient of the award, chosen by the faculty of Lockview High School, is a graduate who has demonstrated a commitment to issues of social justice – previous winners have been involved in issues relating to the environmental, anti-poverty, animal rights, anti-racism and issues affecting seniors and youth.

This year the school's graduation committee chose Emily Sheen of Beaver Bank. Emily's commitment to social inequity was cited as outstanding by the teachers and staff at Lockview High. Emily plans to study International Development Studies at St. Thomas University in Fredericton in the fall. Congratulations to Emily and her parents.

Summer may mean vacation time for many working people, but for the unemployed, it is an ideal time to focus their job hunt on getting a foot in the door to cover holidays for others. As always, my constituency office is able to help you a little with your job hunt. My assistant, Megan, is happy to make copies of your resume, you can send and receive local faxes, and use my computer for your on-line job search. Please phone the office for more details on these services. We're here to help.

## People Together With Nature

What's on the Menu This Morning?

Frank White of Beaver Bank (North) took pictures of this backyard visitor at 7:56 am on July 4<sup>th</sup>. He was alerted to the visitor by squawking and diving crows. After the coyote left, further movement in the trees made Frank realize that the coyote was contemplating having a cat breakfast. Happily for the cat this healthy-looking fellow was not desperate for a meal and quickly moved along.

We here in Beaver Bank have the pleasure of living where we can see nature and wildlife. While coyote and bears can be dangerous and other animals can be a nuisance (raccoons, crows, skunks, bats) using common sense strategies can let us live side by side, people together with nature. The Nova Scotia Government website [gov.ns.ca](http://gov.ns.ca) has lots of good advice under the Department of Natural Resources section. Don't have a computer? Check them out on the web in the C@P Site at HTB Jr High when school opens in September.

## From Parliament Hill

### Federal Government Should Keep Lighthouses

The government recently announced that they want to rid themselves of 1,000 lighthouses across the country by declaring them surplus property, as they no longer want to be responsible for their maintenance and care. The decision will affect communities with lighthouses in every region of the country, including Atlantic Canada, Ontario, Quebec, British Colombia and the Arctic.

This plan was announced quietly. In late May, they posted the closures on a website of the Department of Fisheries and Oceans as part of an announcement on the implementation of the so-called Heritage Lighthouse Protection Act. They did not consult with communities and other stakeholders about this plan.

We have called for a dollar for dollar comparison of maintaining the existing lighthouses and replacing them with a steel tower and solar light. We are not convinced that the divestiture of these lighthouses is the most cost-effective option. We are also concerned that community groups will not be able to afford to maintain the lighthouses if they agree to take over ownership. This happened to community groups who became responsible for wharves divested by the federal government a few years ago. We have urged the Minister of Fisheries and Oceans to reverse this decision and consult with affected communities and citizens. The public deserves to have a say into the future of these structures.

### Improvements Needed for EI sickness benefits

My colleague Fin Donnelly (New Westminster – Coquitlam & Port Moody) recently introduced a Private Member's Bill in the House of Commons that would extend medical Employment Insurance benefits for those suffering from chronic or long-term illnesses. His bill would increase EI sickness benefits from the existing 15 weeks up to a maximum of 52 weeks. Donnelly was moved to action after he met a constituent that was experiencing great financial strain while fighting cancer. Currently, people who are fighting cancer or any other chronic illness are only eligible for 15 weeks of sick benefits. We are

hopeful that this gap in the Employment Insurance Act will be addressed. Almost one-third of all sickness claims are now exhausted before the beneficiary returns to work, leaving many individuals with no benefits or income while they continue to recover.

I also continue to work on extending Compassionate Care Employment Insurance benefits. Currently family caregivers are only entitled to 6 weeks of Employment Insurance when they have to be away from work temporarily to provide care or support to a family member who is gravely ill and who has a significant risk of death within six months. I am hoping that the government will extend the benefit period for up to 26 weeks.

### Possible Fall Election

Canadians may be heading to the polls again this fall. It is anticipated that an election will be called in September or October. If you would like your name added to the potential list of Elections Canada poll clerks or Deputy Returning Officers for paid work on Election Day, please call our office.
