## Celebrating our Volunteer Award Recipients

April 4<sup>th</sup>, 2016 was a special day for Rae Marlborough as the Premier of Nova Scotia and the Lieutenant Governor presented her with a Provincial Volunteer Award. Rae was one of the founding members of the Beaver Bank Kinsac Seniors Association (The Keeners). She was instrumental in getting land for their Beaver Bank Country Garden and is presently a garden consultant involved with its annual planning, preparation and maintenance. Rae

has plans and, along with other volunteers, prepares approximately 240 meals for The Keeners' Thursday lunches. She serves on their Board of Directors and has been treasurer for the past eight years. Rae is also the musical director with the Djembe Drumming group and a newly formed ukulele group. Rae has also served for 12 years on the Board of Directors of the Beaver Bank Community Awareness Association. Recently,

she joined the board of the newly established Cobequid Community Radio Station CIOE - 97.5.

Helping Rae celebrate at the Westin Hotel ceremony were members of the Keeners; Ann Benson, Sandi Bolt, Lynn Atton-Gauthier and Bruce Gauthier (pictured above).

Rae was also a recipient of this year's HRM Volunteer Award along with Betty Lou Blackburn.

## Volunteer Awards Recipients cont'd

Councillor Brad Johns, Betty Lou Patterson, and Mayor Mike Savage. Picture taken by Pat Healey.

Betty's volunteer hours are too numerous to count. She truly is in every aspect a volunteer key to her community's success. Betty has helped the Beaver Bank Kinsac Community Centre thrive at events, particularly those supporting the youth. She is an invaluable member of the volunteer team. Her kindness, willingness to help and hard work is contagious and imperative to the success of the organization.

As an interesting point to note, Betty's daughter, Lisa, also won this award last year. Volunteering definitely runs in the family!

The ceremony was held on April 13<sup>th</sup> at the Holiday Inn Harborview in Dartmouth. The event was hosted by Star Dobson and the awards were presented by Mayor Mike Savage and municipal councillors.

### The Census is Coming

The next Census of Population will take place in May 2016. **Starting May 2, 2016**, Statistics Canada will send census letters and packages to all Canadian households.

You can complete your census questionnaire online or on paper.

For more information about the census please visit [www.census.gc.ca/ccr16\\_r000-eng.html](http://www.census.gc.ca/ccr16_r000-eng.html).

## Beaver Bank Kinsac Lions Club

On March 26, 2016, the Lions Club held its annual Easter Egg Hunt at their location on Sandy Lake Road in Beaver Bank. 150 children and their parents attended this popular event. Following the egg hunt the Lions Club presented a cheque for \$500.00 to Baby Mackayla and her Mom to help with the cost of a specialized piece of medical equipment that she requires. The main piece of equipment

Mackayla needs is a stander. This is a device that's used to hold Mackayla in a standing position to help strengthen the leg and body muscles she would otherwise not use. It's vital to her physical development, requiring her to use it every day. For more information on Mackayla's story, please visit <https://www.gofundme.com/u8j4i97q>.

Following the cheque presentation the Lion's Club provided hamburgers and hotdogs for everyone.

### Office Hours in Beaver Bank

Please join me in Beaver Bank at my monthly meetings at the Beaver Bank Kinsac Community Centre on the second Monday of the month between 1:00 – 3:00 p.m. The next scheduled meetings are May 9<sup>th</sup> and June 13<sup>th</sup>. Please let me know if you would require an evening time to meet and I will set one up.

### Home-Based Businesses

You are invited to share your views on proposed changes to the building code regulations for home-based businesses. These proposed changes would bring clarity and support consistent use of the regulations for businesses operated in homes. Nova Scotians are asked to submit their comments by May 20. For more information and to submit comments, visit <http://novascotia.ca/dma/firesafety/BuildingCode/>

### Pothole Repair Season Begins

As the weather warms, provincial highway crews are starting to shift operations from snow clearing to repairing potholes. Crews are currently performing temporary cold mix repairs. More permanent hot mix asphalt will be used when asphalt plants open up around the province in May.

Grading of gravel roads will also begin as conditions allow. During the spring thaw, gravel roads are often too soft to allow the necessary heavy, road-repair machinery. Once gravel roads dry out and firm up, they can be graded without risk of damaging their overall strength. Motorists

can help provide information on problem potholes by calling the province's toll-free number, 1-888-432-3233 or by tweeting to @NS\_TIR.

### Provincial Parks Campsite Reservation Line Open

The reservation line for booking provincial park campsites is open, with an improved website design to make online reservations easier. Reservations for camping sites can be made by phone, toll free at 1-888-544-3434 or online at <http://parks.novascotia.ca/>.

Almost all provincial day-use and camping parks will open on the Victoria Day weekend in May. Some camping parks do not open until June. Park users are urged to check for updated information on the provincial parks website. Nova Scotians are encouraged to register for events at parks through the new website. Already more than 125 recreational and interpretive events are scheduled for the 2016 season.

### Burning Restrictions

Burning restrictions are now in place across the province, until Oct. 15. Check [www.novascotia.ca/burnsafe](http://www.novascotia.ca/burnsafe) to learn when burning brush in your county is allowed.

### Notary Public – Commissioners of Oath

Please contact my office if you require the services of a Notary Public or Commissioners of Oath. Some government forms require stamps or signatures from a Commissioner of Oaths or Notary Public. I am legally authorized to administer oaths, affirmations, or declarations to persons making the affidavit. Please contact my office so we can arrange a convenient time for an appointment for this purpose. There is no fee for this service.

**CONTACT US** - Please call my office, 902-576-3411, or drop by at Suite 101, 1265 Fall River Rd. to discuss any concerns you may have. Our e-mail is [billhornemla@gmail.com](mailto:billhornemla@gmail.com) and you can follow me on twitter @bill\_horne\_mla.

## Update from Station 48 – Spring is Finally Here

Your fire department continues to be busy training and responding to calls within our community. Since the last update for the Bulletin we have responded to 14 pages for assistance; six medical assists, one alarm activation, two structure fires, one CO detector activation, one car fire, and three motor vehicle accidents.

Spring is finally here after a few parting shots of snow from Old Man Winter. With the change of the seasons, people are starting to get outside and enjoy the warmer weather. This includes cleaning up around our homes/properties and everything that winter left in our backyards like tree branches and such so just a friendly reminder about burning brush here in our community.

From March 15<sup>th</sup> to October 15<sup>th</sup> the burning restrictions are back in force by the province (Department of Natural Resources). No burn permits are issued but there are some guidelines to be followed if you want to burn brush. There is also a bylaw from HRM that is applicable as well. The first question we get is “Am I allowed to burn brush?” and that depends on where you live in the community. If you live on a street in HRM and have both municipal water AND sewer services to your street, then unfortunately you are not allowed to burn brush at any time. If you live on a street that has only water or sewer or none, then you are allowed to burn brush. For those who are allowed to burn brush, **there is no burning allowed provincially from 8 AM to 2 PM** daily. At 2

PM you are required to check with DNR (website or call) and see if burning (including campfires) is allowed. If the area you are in is Green – you can start burning at 2 PM. If the area you live in is coloured Yellow – you cannot start burning until 7 PM. If the area is Red – no burning allowed. If you are allowed to burn, the same conditions as the old burn permits must be met – only one fire at a time, burn only brush or clean wood (no construction debris or garbage), can only be a certain size, a responsible person must be in attendance at all time, a means to extinguish the fire is ready, a means to call 911 is readily available and you must have a minimum clearance from nearby woods or structures.

This being said, under the HRM bylaw – no burning is to take place after midnight. At any time, DNR or the municipality can declare a burn ban due to extreme fire hazard conditions. If you are still unsure about burning in HRM, check the website [www.halifax.ca/fire](http://www.halifax.ca/fire) or visit the station on a Tuesday night between 7 PM and 8 PM.

With the nicer weather around, it means the fire department will be getting out more in the community for planned training. One of the events will be a planned joint training session with our neighboring fire departments in late May to hone our skills working with others and strengthening our partnerships.

We continue to have people driving through the fire department

parking lot and apron sometimes at a high rate of speed which has raised some concerns for the safety of our members conducting training and to the children being dropped off for school. In the near future and for the information of the driving public, a gate will be installed on the apron side of the parking lot to reduce the risk of someone getting hurt by a vehicle.

Recently, the fire department presented a plaque to Mr. Dennis Jeffery to recognise and thank him for his continued support in our training. Mr. Jeffery donates cars to the department to allow us to train for incidents involving vehicles, including patient removal, car fires and motor vehicle extrication. It is this hands on practice that allows our department to be prepared and ready for when the call comes in.

In closing, as the weather continues to improve and we move towards summer, the fire department wishes everyone a safe spring as we move forward.

Until next time – stay and play safe.

Kevin Crewe – Station Chief

## News from our MP

Danielle Deveau, Barry Dalrymple, Barb MacLellan, Darrell Samson, Bill Horne

Below are a few highlights from our recent budget announcement:

### For young Canadians

Budget 2016 will ensure no student graduating from college or university has to start paying back their student loans until they make at least \$25,000 in annual income. Budget 2016 boosts grants to low and middle-income college and university students by as much as \$1000 per year. This measure will put more money in the pockets of 360,000 students a year. Our plan invests over \$300 million (over three years) in the Canada Summer Jobs program to create 35,000 additional youth jobs each year.

### On growing the economy and creating Jobs

In Phase 1 of its infrastructure plan Budget 2016 invests \$11.9 billion starting right away to build roads, bridges, improve public transit, improve water and wastewater facilities and refurbish affordable housing. This will

create tens of thousands of jobs and boost the economy. This includes \$3.4 billion over the next five years in social infrastructure, including affordable housing (will benefit over 100,000 homes), seniors housing, community centres and childcare centres. This is an important investment for our province given that Nova Scotia has one of the oldest populations of all provinces across the country.

### For Seniors

We will roll back the age in which seniors can access their OAS/GIS from 67 to 65. We will boost the GIS for 900,000 low-income seniors

### For Veterans

We will invest in veterans, by reopening the Veterans' Affairs offices which were closed by the former government. We owe each and every veteran a deep debt for their service, and our government is honouring that service.

I have also launched my website last month, we are still working to add more content and services to meet your needs, and I welcome your feedback! You can visit me at:
