Update from Station 48 – Merry Christmas everyone – here comes 2019

Season's Greetings on behalf of the volunteer men and women of the Beaver Bank – Kinsac Volunteer Fire Department. 2018 seems to have flashed by and 2019 is almost upon us.

The Beaver Bank – Kinsac Volunteer Fire Department continues to keep busy responding to emergency calls, training on Tuesday nights, and getting out visiting within our beautiful community. During Fire Prevention Week the members of the fire department were out and about in the community to spread the important message of fire safety, fire prevention, and tips on being prepared in the event of an emergency. As well, we were honoured to take part in the Remembrance Day service at the cenotaph.

The call outs for emergency responses continue to keep us busy. Your fire department has responded to 32 pages for assistance since the last edition of the bulletin. We have responded to 16 medical assists, 5 alarm activations, 1 structure fire (our response area), 5 structure fires (mutual aid), 2 illegal burns, 1 motor vehicle

accident, 1 special service call, and 1 investigation call. This brings our total number of call outs for the year to 161.

As it is December, winter and the Christmas holidays are fast closing upon us, the members of the fire department would like to pass on some safety tips to keep in the back of your mind as the snow begins to fly and the holiday cheer begins to spread.

We have already experienced an early dose of winter with some snow events. Even though we know snow and winter conditions are coming, we tend to wait until the snow is upon us before we adapt. Here are some reminder tips for this upcoming winter driving season. Prepare your vehicle for the wintry roads. Clean off the snow and ice from your vehicle before hitting the road, have the snowbrush handy, top up the windshield washer fluid, have a roadside emergency kit in the trunk, and put on those winter tires. The most important tip we can share is drive for the conditions you are experiencing on the road; give yourself a little more distance between you and the car in front in case of a sudden stop on icy roads, and give yourself a little extra time getting to your destination. We want everyone to get safely home to enjoy the company of family and loved ones. If conditions are too bad and

you don't have to be out in them, take the day and stay at home.

Of course, many people will be making the rounds visiting and catching up on old times. If you plan to have a few social refreshments, please don't drink and drive. Have a designated driver, take a cab home, stay the night, or enjoy a brisk walk and leave the car at home.

As we are approaching Xmas, the members of the

fire department are collecting non-perishable food items to donate to Beacon House. This year we are trying something a little different. This year we are "Filling a Port-A-Tank for Beacon House" Our goal this year is to fill our portable water tank with food donations in support of Beacon House. If you would like to drop off a non-perishable food item to help us achieve our goal, you can stop by the Fire Station/Community Center during "Breakfast with Santa" and "Tinsel the Talking Tree" events. We will also be accepting items on Tuesday nights at our

fire station if you want to drop them off.

As the days on the calendar continue to pass by, a new year is quickly approaching. On behalf of the volunteers

that make up your fire department, I want to thank the community we serve for

supporting your local fire department in 2018 and for a safe and prosperous 2019 to your family from ours.

Until next time – stay and play safe.

Kevin Crewe – Station Chief

Bill's Blog

I would like to wish a Merry Christmas to all residents of Beaver Bank. I hope you have the opportunity to enjoy the many festivities put on by the wonderful volunteers in our community. Have a wonderful holiday season!

Do You or Someone You Know Need Help?

Continuing Care Services are provided to eligible people who need care outside of the hospital in their home and community. Care can be provided on a long or short-term basis.

Continuing Care Programs and Services include:

Home Care (Nursing, Home Support, Respite and Palliative Care), Long-Term Care (Nursing Home or Residential Care Facility), Home Oxygen Services, Adult Protection Services, Protection for Persons in Care, Aboriginal Continuing Care, Caregiver Benefit Program, HELP-Bed Loan Program, Personal Alert Assistance Program, Self-Managed Care Program, Supportive Care Program, Specialized Equipment Program (Long Term Care) and Respite

Care at home or in Long Term Care.

The toll-free number for information for Continuing Care is **1-800-225-7225**. This number operates between 8:30 a.m. and 4:30 p.m., seven days a week. Call to learn more about what options are available to you.

2018 Property Tax Rebate – Deadline December 31, 2018

The Property Tax Rebate for Seniors Program is offered to help eligible seniors remain in their homes by providing a rebate on the municipal property taxes. Eligible homeowners can receive a 50% rebate up to a maximum of \$800 per year. The rebate is based on the taxes paid in the previous year. Applications are available at our office, online at <https://novascotia.ca/sns/access/individuals.asp> or by calling 902-424-5200.

Influenza Vaccine Now Available

All Nova Scotians over six months old are encouraged to get a flu shot. The flu vaccine is available free of charge to all Nova Scotians

and everyone is encouraged to get one.

Adults over 65 years of age, children six months to five years of age, pregnant women, Indigenous Peoples, and people with chronic medical conditions are encouraged to get a flu shot as soon as possible to reduce risk of developing influenza related complications.

The seasonal flu vaccine is now available from most pharmacies, family doctors, family practice nurses, nurse practitioners and workplace clinics. For more information, visit Nova Scotia.ca/flu

A Message from Darrell Samson

Greetings friends!

It seems like just a few weeks ago that we were visiting the beaches across the riding in scorching temperatures. Yet, December is here, and we've already had our first snowfall of the season. As we wrap up the last weeks in Ottawa for the year, I've been reflecting on some of the great times we experienced together throughout 2018.

From participating in community events to visiting Beaver Bank businesses for tours and to greet their Canada summer students. And of course, my favourite memories are of meeting as many of you as I could during my time there and in surrounding communities

You should be receiving my 2019 calendar soon. This year, it features scenic water vistas from across the riding. With over 40 communities scattered between Beaver Bank and East Chezzetcook, and only 12 months of the year to showcase them, I'm pleased to say that I included one of Tucker Lake! I hope you enjoy them all.

Update: Ships STAYS here
There was a lot of talk recently about Unifor's 'Ships Stay Here' campaign and how important it was for ALL of the communities in Sackville—Preston—Chezzetcook, including

Beaver Bank and Kinsac. With 20% of Irving Shipyard's workforce being from our riding, this means long-term jobs with good wages for people in the community!

Shortly after the first ship was launched, our government awarded \$7.0 billion in contracts to three shipyards for repair work on 12 Halifax-class frigates, with most of that work landing at the Halifax yard. On Nov 2nd, the Minister of National Defense, Hon. Harjit Sajjan, was back in Halifax to announce more exciting news. First, he quashed rumours that some of the shipbuilding may be shuffled to other shipyards; all five of the promised Arctic Offshore Patrol Ships (AOPS) plus construction of the fifteen Canadian Surface Combatants was staying here! Then, he announced that Halifax would also be building a sixth AOPS! This is fantastic news for the Halifax Shipyard, and for every community in our riding!

CHRISTMAS MESSAGE

With the turning of the last page on the calendar, most of us will be gearing up in preparation for the holiday season. It's a time when we can easily get lost in the hustle and bustle, buying and wrapping gifts, decorating and baking, etc. We might not be as aware of those in our community who

are struggling with the season and could use a friendly hand. Maybe it's a family dealing with financial hardship (and too proud to ask for help) that could use an anonymous donation or be surprised with new toys or clothes for their children.

Also, let's not forget that some of our neighbours may be struggling with what seems like unbearable stress. If you know of someone in need of help—or if you ever need help—please jot down this information so it is right at hand:

Mental Health Crisis Line

1-888-429-8167 (toll free)

Available 24 hours a day, seven days a week.

After a year of sitting in the House of Commons listening to politicians bickering, I look forward to the Christmas break and more pleasant exchanges of peaceful wishes between people. It doesn't matter what the seasonal greeting is, there is one reply that suits them all.

If someone wishes you, "Merry Christmas!" and you're not Christian—"Joyeux Noël!" and you're not Francophone—"Happy Hanukkah!" and you're not Jewish—"Happy Kwanzaa!" and you're not African-Canadian—or "Happy Holidays!" and you are religious; the reply that works for me is, "Thanks!"

Same to you!" Let's all look past the words used by person so we can appreciate the good intention of the seasonal wish.

My wife and I are looking forward to the first Christmas for our new grand-daughter, Emma Ruth, who will be just over one month old (and yes, she is adorable!), as well as spending time with friends and family. From my family to yours, we wish you a happy and healthy holiday season, and look forward to seeing you in the New Year!

Beaver Bank ATV Club

What's going on at the Beaver Bank ATV Club? Well we've had a busy and productive first half of the season. Since September when we resumed our meetings, we've done 3 fun runs, some trail work on the 5k and lots of planning going on for future trail work.

Our elections are coming up in the new year and we are going to be forming a nomination committee to seek out a new secretary, membership coordinator and a treasurer. These two positions have been filled by long time dedicated volunteers and we thank them for their dedication and the amount of time

and effort they have put into the club over the years they were in those positions! If you are interested, please contact us via the club Facebook page or email bbatvclub@gmail.com

Thank you very much to both Eric Rideout (treasurer) and Dawn Maxwell (secretary), both of which I can't say enough about. Without the dedication of volunteers; our club wouldn't exist. They have decided to "pass the torch" so to speak and stay as an active part of the club but as a general member rather than an executive and we all thank you for staying a part of the club!

Our other big news is, WE'RE HAVING A RALLY!!! There is a TON of work going on right now by the club rally committee to get our first rally underway.

If you have an ATV or know someone who does, invite your friends and come out and join the club in making our first rally a success!!

See you at the next meeting,
Corey Osborne (VP)

If you see any OHV violations or issues on BLC lands please contact Jonathan Calnen at (902) 456-7922

Beaver Bank Community Hub

Our successful Shredathon in October netted \$420.00 and a carload of food for the Beacon House. Thank you to all who participated.

After three and a half months of scanning old photographs, taking up to date photos and a great

deal of computer work the Beaver Bank "Then and Now" Heritage Calendar was produced. At the time of the Bulletin printing we still have some remaining but they are going fast. Many people are planning to send copies to relatives and friends who have left

the area. If you require any, please contact us.
