For Your Community Support

## Update from Station 48 – 'Tis the winter season

Your fire department continues to be busy training, fire prevention activities, and responding to calls within our community. Since the last update, we have responded to 25 calls; 9 medical assists, 5 alarms activated, 3 investigations, 3 mutual aid structure fires, 1 structure fire in our response area, 1 brush fire, 1 vehicle fire, and 1 special service call. This brings our total to 144 responses for assistance as I write this update.

With snowflakes flying around and colder temperatures here to stay, the winter season is finally upon us. Here are a few safety tips from your friendly neighborhood firefighters that will hopefully help prevent a call for us to visit you.

**Driving Habits** – Our road conditions can change quickly with the winter weather. Black ice, snow covered roads, and longer hours of darkness during our regular commute are a real concern. Some suggestions are the use of appropriate winter tires, a roadside emergency kit, a blanket, and a good snowbrush to keep your windshield and windows clear of that dirty ice and snow. The main tip is to drive for the conditions showing, slow and steady will always get you safely home. If you don't have to be on the roads, then relax at home.

**Ice Safety** – With the temperatures dropping, the ponds will start to freeze over and turn to ice covered playgrounds for everyone. Before you venture out on the ice, have a responsible person check the thickness of the ice. Some of our ponds in the area (Barrett Lake & Tucker Lake) have the ice thickness measured by HRM. You can check out the HRM website for these Ice Thickness Reports and safety notes about activities on frozen ponds and lakes. As a general guide – a person skating alone on ice requires 15 cm of ice thickness. For a skating party or group – 20 cm. For a snowmobile or ATV – 25 cm of ice thickness is recommended.

January and February will continue to be busy months for the volunteers of your fire department. Besides the regular training and call outs for emergencies, the Fire Department will be taking some extra refresher training to keep our members up to date and current in our skills.

We would like to thank everyone for helping us "Fill our Port-A-Tank for the Food Banks" again this year. We will be accepting donations at the station on Tuesday nights or you can stop by and make a donation at Breakfast with Santa or the Tinsel the Talking Tree events being held at the Community Center.

As well, we would like send out our appreciation to those that donated or participated with our Fire Department Association Turkey Bingo.

On another note, as most everyone is aware by now, the new bus route will be terminating at the Fire Station / Community Center. This is a friendly reminder that the fire department parking lot is for fire department use and not a park and ride. We ask that the parking lot be kept clear and free for firefighters so that they can safely park at the station when we are called upon to respond to an emergency within the community.

On behalf of the members, I would like to thank the community for your support in 2019 and we wish everyone a safe and prosperous 2020.

Until next time – stay and play safe.

Kevin Crewe – Station Chief

## Beaver Bank ATV Club

We have had a busy summer doing trail work and club activities, we completed another successful project on our 5k trail and we are continuing to work in that trail! There is lots of work to do as we continue to work toward getting into the center of the trail to fix the worst spots. We are working with the government to get the three bridges replaced in the 5k trail and will be applying for that funding through the Off-Highway Vehicle Infrastructure Fund (OHVIF) in 2020 to complete the work in 2021. In the meantime, we will continue to work toward finishing the surface of the trail.

We had a successful rally on November 10<sup>th</sup> in support of VETS Canada and we donated \$1311.20 to their cause!! We had 85 bikes and over 100 people attend the event!! We also

have a Walton Pub Run booked for December 7<sup>th</sup>. If you would like to attend, please watch the Facebook page for the event details. We have lots in store for 2020, lots of work to do and lots of fun events to attend!

Please remember that if you are accessing Barrett lands, you require a BLC Stewardship course (info can be found on our website) and you must stick to gravel ditched roads and observe the 20 km/hr speed limit on BLC lands. Also, please remember to close and lock the gates behind you when accessing the lands and **please** do not go around the gates!

## BBCLC – 15 years of serving Beaver Bank

### FOCUS ON BUSINESS

Presented by the Beaver Bank Business Association

The owners of Beaver Bank Children's Learning Centre, Cheryl Leadlay and Marina Johnson did not know one another prior to starting the business. "We were the only two people who came to view the space. Once we started talking about our ideas we knew we shared a similar vision for childcare in Beaver Bank." Beaver Bank Children's Learning Centre opened its doors in September 2004 in the Beaver Bank Kinsac

Community Centre (pre-fire).

When they started they had six pre-school children and six school age children with Cheryl and Marina being the

two educators. The biggest challenge faced was the Community Centre fire in 2009. This fire devastated the entire community and displaced so many groups and people. They were fortunate that their 95 Kinsac location was near completion and would be ready by February 2010. The outpouring of community support was overwhelming. Friends, educators, businesses and complete strangers arrived with donations of time, toys, books, furniture and wine when needed! Beaver Bank Kinsac Elementary gave space for our school group at the school. The management and staff at Ivy Meadows opened their hearts and gave up their lunchroom for them to continue their part day pre-school program. To this day the children and educators have enjoyed a close relationship with the staff and the wonderful people who live at Ivy Meadows. The children visit regularly with the educators taking them by bus on a weekly basis. This sadly will come to an end in November with the bus not having North Beaver Bank on its route.

Over the years they have grown to serve more than four hundred families. Currently they employ seventeen early childhood

educators and one amazing cook! Cheryl and Marina attribute the longevity of Beaver Bank Children's Learning Centre to the relationships they have built and maintain with the children and families in their

care. In order for this to happen they believe that having long term, dedicated and loyal educators is fundamental.

Cheryl and Marina want to thank the community of Beaver Bank for their support and would be remiss if they did not send out a sincere thank you to the Beaver Bank Kinsac Community Centre Board- past and present for their encouragement and support over the past fifteen years. They look forward to providing childcare for many years to come!

## A word from MLA Darrell Samson

### THANK YOU!

The people of Sackville–Preston–Chezzetcook chose me to be their Member of Parliament, and I am honoured to have earned that trusted privilege again. Thank you to my many volunteers who knocked on doors, made phone calls, put up signs, or helped behind the scenes.

### To the residents of

**Beaver Bank–Kinsac** who voted for me: **thank you!** I will do my utmost to demonstrate that your belief in me was warranted. For those who voted for another candidate: **thank you** for voting! Regardless of our political differences, please know that my staff and I are here to serve you on any federal matters.

### CHRISTMAS MESSAGE

2019 was a quite a year in our riding. We enjoyed many annual community events throughout the year; realized new programs that help many residents, such as the new Pension for Life for veterans; and saw construction begin on significant infrastructure projects, including the Sackville-Bedford-Burnside Connector, among many others.

The past year also had its challenges, and the last few months left our country somewhat divided. Whether

it was the federal campaign that was uglier than it had to be, the election results that left some provinces feeling alienated, or even the recent Don Cherry controversy that revealed split opinions among friends, Canadians from coast to coast to coast were challenged with more divisiveness than we're used to. I am confident that we'll get through this, and the sooner the better.

We are now in the last month of 2019 and getting ready to celebrate the holiday season. Whether it's **Hanukkah** (Dec 22 – Dec 30), **Christmas** on December 25<sup>th</sup>, or **Kwanzaa** (Dec 26 – Jan 1), we will collectively be focusing more on enjoying the company of family and friends.

We must also remember that for some members of our community, this season can be especially difficult. Those who find themselves alone due to circumstances beyond their control, or cannot afford to provide the holiday experience for their children that they wish for, this time of year can make them particularly vulnerable. Please take the time to check on your neighbours who might be struggling. If you find

yourself in this situation and life is too overwhelming, please do not hesitate to reach out for help.

**Mental Health Mobile  
Crisis Line: 902-429-8167  
(or toll-free 1-888-429-8167)**

I am looking forward to 2020 and all that it holds in store for residents across the riding of Sackville–Preston–Chezzetcook!

From my family to you and yours, we wish you **Happy Kwanzaa!**  
**Happy Hanukkah! Merry Christmas! Joyeux Noël!**

### NEW YEAR... NEW PRIORITIES

As we begin the new year, MPs from across Canada will be tasked with developing a list of priorities for their ridings, as well as new programs and services for all Canadians. As your Member of Parliament, the most effective way for me to ensure I represent **your** interests is for you to share them with me.

Communication is the key!

We will be resuming our regular parliamentary newsletters in the new year, which usually include a brief survey. Please take the time to complete it and send it back to our office (no postage required), so your voice gets heard in Ottawa. Of course, you don't have to wait for a survey to have your say. You can call or email our office at any time with questions or concerns, ideas or suggestions, or to share your opinion on what your government's priorities should be.

The Beaver Bank Community Awareness Association will be matching BBK community food drive donations up to \$500 this holiday season! For more information contact Victor Cobb at [victor@eastlink.ca](mailto:victor@eastlink.ca)

Nov. 30 - Dec. 1
