Update from Station 48 – Kids are back at School & Fall is in the air

The Beaver Bank – Kinsac Volunteer Fire Department continues to keep busy with training and responding to emergencies within our beautiful community. Fire Prevention Week (October 7th to October 13th) is quickly coming up in early October and the members of the fire department will be out in the community visiting local schools and organisations to spread the word on fire prevention. The theme this year is **“Look. Listen. Learn. Be Aware. – Fire Can Happen Anywhere”**. We recommend that all homes have a dedicated escape plan and a meeting place in the event of a fire emergency in your home. This time of year is a good time to practice this plan with the family to make sure everyone knows what to do, where to meet, and that the plan actually works in the event a fire should occur.

Since the last edition of the bulletin, the fire department has responded to 36 pages for assistance; 17 medical assists, 6 alarm activations, 1 structure fire (our response area), 2 structure fires (mutual aid), 3 illegal burns, 4 motor vehicle accidents, 1 special service call, 1 car fire, and 1 investigation call. This brings our total number of call outs so far for the year to 129.

Your local fire department would like to pass along a

friendly reminder to drivers when you are passing emergency scenes where we are operating. There has been a lot of media coverage of the **“Move Over Law”** in Nova Scotia lately and with the volume of traffic on the roads, it poses a safety risk to our members who are working along the roadways.

Motorists are reminded that as you approach an emergency vehicle on the side of the road with its emergency lights flashing to slow down and proceed with caution as you pass by. Working together we can do our best to make the area safe for the firefighters, paramedics, police and other responders so that everyone gets to go home.

As we move into Fall – the evening daylight starts getting shorter and nights are cooler – at some point the old furnace or woodstove will get put back into service to take the chill out of the air at home. Before you flash up the furnace or woodstove for

the first time, complete a nice thorough inspection to make sure everything is in good working order whether it is done by yourself or a certified person. For woodstoves, check the chimney and if you haven't done so since last Spring – give it a good cleaning and be ready for the home heating season.

On a final note, the Beaver Bank Awareness Association continues to partner with the fire department in order to provide free civic signs to residents in order to help first responders find you in the time of an emergency. For those who need a new or replacement civic sign, you can stop by the fire station on a Tuesday night from 7 PM to 8PM or during the day visit the Beaver Bank Community Hub in the community center. I encourage anyone who does not have a one of these high visibility civic signs to drop by and take advantage of this wonderful opportunity.

On behalf of the volunteers that make up your fire department, I want to thank the community we serve for supporting your local fire department and its members; together our community grows stronger. Until next time – stay and play safe.

Changes to the Senior Citizens Property Tax Rebate

This program provides eligible homeowners with a 50% rebate of the actual residential municipal property taxes paid the previous year, up to a maximum of \$800.00 per year. The rebate is always based on the property taxes paid in the previous year. Eligibility criteria is being expanded to allow a rebate to include seniors who move out of their primary residence but have paid the previous year's municipal taxes. With this change, up to 150 more people could be eligible for a rebate. All applications must be postmarked by December 31, 2018. You must provide proof that you received or were eligible to receive the GIS or Allowance and that your property taxes were paid in full. You can call 902-424-5200 for more information or call my office 902-576-3411.

Changes to the Residential Tenancies Act

Amendments to the Residential Tenancies Act were introduced that will benefit both tenants and landlords. The goal is to make the act more inclusive, accessible and balanced for tenants and landlords.

- tenants and landlords will have

alternate ways to serve documents, such as electronically, in addition to only through personal service or registered mail

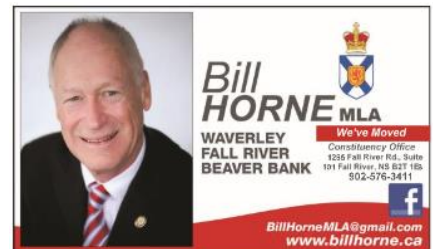

- reduces the minimum timeframe landlords are required to store abandoned property from 60 days to 30 days
- currently, new homebuyers who do not wish to be landlords may only make an application to evict a tenant after a home is purchased and in their possession. The proposed changes allow the seller to initiate the eviction upon proof of sale
- allows tenants to give notice to change their yearly tenancy to month-to-month instead of asking for a landlord's permission
- provides landlords with entry times to show an apartment to a prospective tenant or purchaser where there is a fixed-term lease in place
- Terminating of a lease the next month after a single tenant dies to eliminate

unnecessary financial hardship for family of the deceased.

Currently, a family of a deceased tenant must give one month's formal notice to end the tenancy and could be responsible for up to two months' rent, depending on when the notice is given.

Beaver Bank ATV Club

As a club we are just starting up our meetings again for the 2018/19 riding season, we've had a lot of good changes this year, we have updated the club by-laws and made some progress on things to come this year. Our June update didn't make it into the last issue of the bulletin so there's quite a bit of info for this one.

The next meeting is October 10th, that meeting will have quite a bit of information on upcoming events and a few things to vote on, so come on out and have your say and see what's new and exciting in the club.

In June we had our fun run out in the Ellershouse area, we had 12 bikes and about 15 people show up which was great. Terry from Unique ATV's came along with his Sherp (right) to demonstrate its abilities, and he certainly did that...We started out on the Ellershouse Service Road and headed over to the Bowater Mersey side, had lunch on Little Pine Lake (above), cleaned up and

came back along a trail on the East side of Big Indian Lake then back over to the Ellershouse Service Road again. It was a beautiful day and a great run.

Since then we had a night run in Beaver Bank for our July run (Below left) where we had almost 30 bikes attend and we had a great time! We also had a joint fun run with Safety Minded ATV Association (SMATVA) where we had around the same number of bikes, we went out to Timber lake for lunch where one of the SMATVA members did a corn boil for everyone! (Below left)

Trail Etiquette

We would like to remind anyone out riding of a few things.

1.If you have room in your ATV, backpack or whatever to bring it into the woods, you have room to bring it back out of the wood.

Please remember if you pack it in, pack it out.

2.Stay on the trail!!! If you are out enjoying the trails, please stay on them, please

stay out of the ditches on any gravel ditched road, if the drainage gets damaged it will potentially wash out the road.

3.No driving around gates. If the gate is locked and you don't have a key, you don't belong back there!

4.Speed – The speed limit on any of the roads on Barrett Lands is 20 km/h

5.When the locks are changed there is no access to Barrett Lands. This happens each spring when the province puts the spring weight restrictions on the roads.

6.To access any Barrett Lands you require both an ATVANS sticker and a BLC sticker visible on your bike.

If you see any OHV violations or issues on BLC lands please contact Jonathan Calnen at (902) 456-7922

See you at the next meeting!
-Corey Osborne (VP)

Beaver Bank Community Hub

It is almost time for the 3rd Shred-a-thon. This is a chance to clear out all unnecessary documents and paper. The event will be on **Saturday, October 13th from 9am until noon in the parking lot of the Beaver Bank Kinsac community Centre.** Bring any amount to be shredded along with a donation of non-perishable food products or a cash donation to Beacon House. See you there.

We still have some older orders of civic signs which are yet to be retrieved.

If anyone requires a document to be verified we

have two volunteers who are Commissioners of Oath. This is a free service. Simply phone (902)252-3291 for an appointment.

The Hub has 3 radon kits that may be borrowed at any time for two weeks.

We at the Hub are scanning and adding to the Virtual Museum and we are as well looking for any documents, photos or stories that can be scanned. We are still very interested in compiling booklets of both World War 1 and 2 service members. If you can help please call (902)252-3291.

Do you have an interesting story of the Beaver Bank area that you would like to share? Please call us and let us know @ (902)252-3291

MLA Bill Horne is available in the hub every second Monday from 1:30 – 3:30. Lisa Blackburn in the first Friday of every month from 2-4.

In loving memory

LeBLANC, Jerry Bernard – age 66, Glenwood, Yarmouth Co. (formerly of Beaver Bank), N.S., passed away peacefully surrounded by his family, on Sunday, September 2, 2018 in Yarmouth Regional Hospital. Born in Ste. Anne-du-Ruisseau on January 5, 1952, Jerry was the son of Lawrence and Rose (Hatfield) LeBlanc. What he enjoyed most in life was his time spent with his family and his common law partner Lynn Wark. Jerry spent the last 35 years doing what he loved as a Truck Driver. When he was not working, his passion was the great outdoors; he enjoyed hunting, playing baseball and rooting for the Blue Jays. He also prided himself in keeping great care of his yard and often could be found outside working on one his “projects”. He is survived by his common law partner Lynn Wark; daughters; Monique LeBlanc (Ryan Alley), Jenene LeBlanc (Irving Miranda) and grandchildren Serena and Cole. He is also survived by step-daughter, Natasha Conrad and step-son, Ryan Wark. Also surviving are sisters; Frances Cleary, Pauline Veinot, Barbara Boylan, Lillian Spidle, Jeanie (Donald) Bouchard, Beatrice Penney (David), Anna LeBlanc (Allison) and Dorothy LeBlanc. Brothers, Herman (Pat) LeBlanc, Freddie “Frenchy” LeBlanc (Elizabeth), Michael “Yogi” LeBlanc, Flavien LeBlanc, and Billy (Barbara) LeBlanc. Aside from his parents, he was predeceased by brothers, Paul, Joseph, Freddie, Victor and Raymond. Visitation will take place on Friday September 7th from 7 to 9 p.m. with prayers at 8 p.m. at the H.M. Huskison’s Funeral Chapel located at 29 Albert Street, Yarmouth. A Celebration of Life will take place on Saturday September 8th at Club Acadien at 3 pm. Ste Anne du Ruisseau. Donations in memory of Jerry may be made to Tri-County VON, or the Lung Association of Nova Scotia.

Home Town author Jen Ritchie published her first novel of the forbidden trilogy. Released August 3rd 2018 it spent three weeks as a best seller on the publisher’s bookstore. The book is written in memory of her grandmother Gaylan Ritchie who unfortunately passed away before Jen realized her love of books. Jen Ritchie was born in Halifax, raised in Beaver Bank she was always very involved with the community. In high-school she received a volunteer of the year award for her contribution with 2nd Beaver Bank scouting. She was also the youngest scouter in Beaver Bank to receive the medal of good service. Forbidden Secrets Book one of the Forbidden Trilogy
A YA paranormal romance. Twyla struggles with the turmoil of teenage life, which only becomes more complicated when she’s attacked by a monster and thrown into a world with supernatural beings.
