Update from Station 48 – Summer is here, be safe out there

Your fire department continues to be busy training and responding to calls within our community. Since the last update for the Bulletin we have responded to 26 pages for assistance; 19 medical assists, 2 alarm activations, 2 illegal burns, 1 motor vehicle accident, 1 mutual aid structure fire, and 1 tree/power pole/wires fire. This brings our total to 86 calls so far this year.

The fire department celebrated its 54th year of service to the community with our annual banquet just recently and we would like to take some time to recognise some achievements by members of the fire department during the past year.

In recognition for years of service for those that continue to actively serve with the fire department and with our fire fighter's association, we would like to note the following:

Don Connor – 45 Years of Service with HRM Fire / 40 years service with the Beaver Bank – Kinsac Fire Department

Paul Connor – 25 Years of Service

Kevin Crewe – 15 years of Service

Steve Warren – 5 Years of Service

Gord West – Our former Fire Chief and now District Chief with HRM Fire – we recognised his continued service with the Beaver Bank – Kinsac Fire Fighters

Association – 40 years of dedicated service.

We also have departmental awards for **Fire Fighter of the Year** and **Rookie of the Year**, both awarded to members within our department. Our "Rookie of the Year" award was awarded to rookie fire fighter Perri-Ann Wyatt. Our highest award is "Fire Fighter of the Year" which for this year went to Ken Twedde.

The fire department are pleased to congratulate and welcome into the fire department family Cara Stymest who recently successfully completed her Volunteer Recruit Training program. As well we had a fire fighter move into the area, Mr Robert A. Schwartz with previous volunteer fire fighting experience in HRM. They and have joined our ranks to continue the legacy of the volunteer fire department serving within our community.

Our cool Spring has finally worked its way into Summer and the above normal temperatures have definitely been a challenge. The members of the fire department would like everyone recognize the signs and symptoms of three different heat emergencies: heat stroke, heat exhaustion, and heat cramps. We have included some tips to help beat the heat and prevent a heat

emergency from occurring to you or your family members.

Heat Illness

Safe Tips from the HRFE JOHSC

Quick and easy summaries to find out about something new you're doing or as a refresher for something you haven't done in a while. They're a great training tool to pass around at meetings, through e-mail, or post on bulletin boards.

☼ Know how to recognize the three most common types of heat-related illness: heat stroke, heat exhaustion, and heat cramps.

☼ Heat strokes are the most severe and can be fatal. Symptoms include an elevated temperature to 105° to 110° F; hot, red, and dry skin; a rapid, weak pulse; and rapid, shallow breathing.

☼ As first aid for a heat stroke, call 9-1-1 immediately. Wrap damp sheets around the victim and start fanning them. Wrap cold packs in a cloth and place them on the victim's wrists and ankles, in the armpits and on the neck. *Caution: Prolonged cold after temperature has been reduced may cause hypothermia.*

☼ Victims of heat exhaustion will have a normal temperature, but will have other symptoms: cool, moist, pale skin; heavy sweating; headache, nausea or vomiting and dizziness.

☼ Heat cramps are muscular pains and spasms that result from intense exertion. Cramps most often attack the abdomen and legs.

☼ To avoid heat-related illnesses:

- Wear lightweight, light-colored clothing.
- Drink plenty of water.
- Take regular breaks.
- Eat small meals.

School is out and more and more people are getting out in their backyards, gardening, relaxing, opening up their pools, and heading out on the road for summertime activities or vacation. I would like to take a quick moment to pass along a few safety tips so that we can have a safe summer. If you have a pool, please do not leave young children unsupervised, it only takes a moment of inattention for a tragedy to occur. For the motoring public, please drive safely as children are out of school and on the go. Also be aware of our motorcycle friends on the road as sometimes they are harder to see than a larger vehicle and most importantly, please do not drink and drive. As first responders,

unfortunately we see on a regular basis the tragedy that can occur on the roads in our community and we want everyone to get home

safe.

From our fire department family to yours, we wish everyone a safe summer.

Until next time – stay and play safe.
Kevin Crewe – Station Chief

Even though we don't have regular club meetings over the summer months, we have still been very busy. We have the Barrett gate painting project underway and we are about half done this project as of the middle of July! Thanks to all of those who have volunteered!

We also had our wilderness camping trip in July. We had 14 people come out to this event, we had a great night, the kids

all had a blast! Thanks to Shawn, we had an inflatable kayak that the kids were able to use, they swam in the lake for hours.

We have our club BBQ coming up in August, check out our Facebook page for details. Also, if you are a current member, keep an eye on your email; as details will be out in the next few weeks for that event!

Left: Newly painted and new sign added to the gate on Rosley Road.

Right: An area that people have been using to go around the gate, Barrett does not allow anyone on their property that does not have a key. Please contact BLC to get a sign up for the stewardship course to obtain a key.

Make a lasting Impact! Be an Early Childhood Educator in Nova Scotia

A career in early childhood education provides a range of opportunities to work with young children from birth to 12 years of age, and their families.

As an early childhood educator some of the places you can work include a regulated childcare or pre-primary program, a family home day care agency or an early intervention program supporting families and children. Your career could also lead to training the next generation of early childhood educators as an instructor in an ECE training program or to a position with the provincial government supporting children and youth programs. And more!

You can train at one of our recognized post-secondary institutions. You can take a 2-year diploma program, or a 4-year degree program.

Training is available in French through the Université Sainte-Anne. Mi'kmaq students may also train in a Mi'kmaw environment that reflects their language and culture through the Nova Scotia Community College in Wagmatcook.

Fund your training?

Whether you're new to early childhood education or want to upgrade your skills, there

are programs to help you return to learning. From scholarships to bursaries to tuition support, learn about the range of options you may be eligible for - <https://www.ednet.ns.ca/eca/fund-your-training>.

Work as an Early Childhood Educator

Current opportunities in early childhood education can be found within the following job sites.

[Enter "early childhood educator" as the job title and search for jobs where you want to work]

Beaver Bank Community Information Hub News
On June 8th, once again, Iron Mountain provided us with their Shredding truck to help us gather non-perishable goods and cash donations for Beacon House. Three of their staff also volunteered to come and help the Hub Team with this successful event. Iron Mountain Services also include Records and Information Management; the storing of 68 exabytes of Customer Data; secure shredding of Disc information and the scanning of approx. 300 million images per year by their Management Solutions Team.

We are grateful for their continued support. Another Shredathon is tentatively planned for Saturday, October 19th. (look for advertising closer to the date for confirmation).

During the months of September and October we hope to record some stories of Beaver Bank down through the years so if you have some special or memorable anecdotes we would appreciate a phone call at 902- 252-3291 to make the arrangements. We can give you a copy of the recording and can also offer to have a copy kept at Fultz House, depending upon your wishes.

We do still have some 2019 Beaver Bank Heritage calendars at a reduced sale

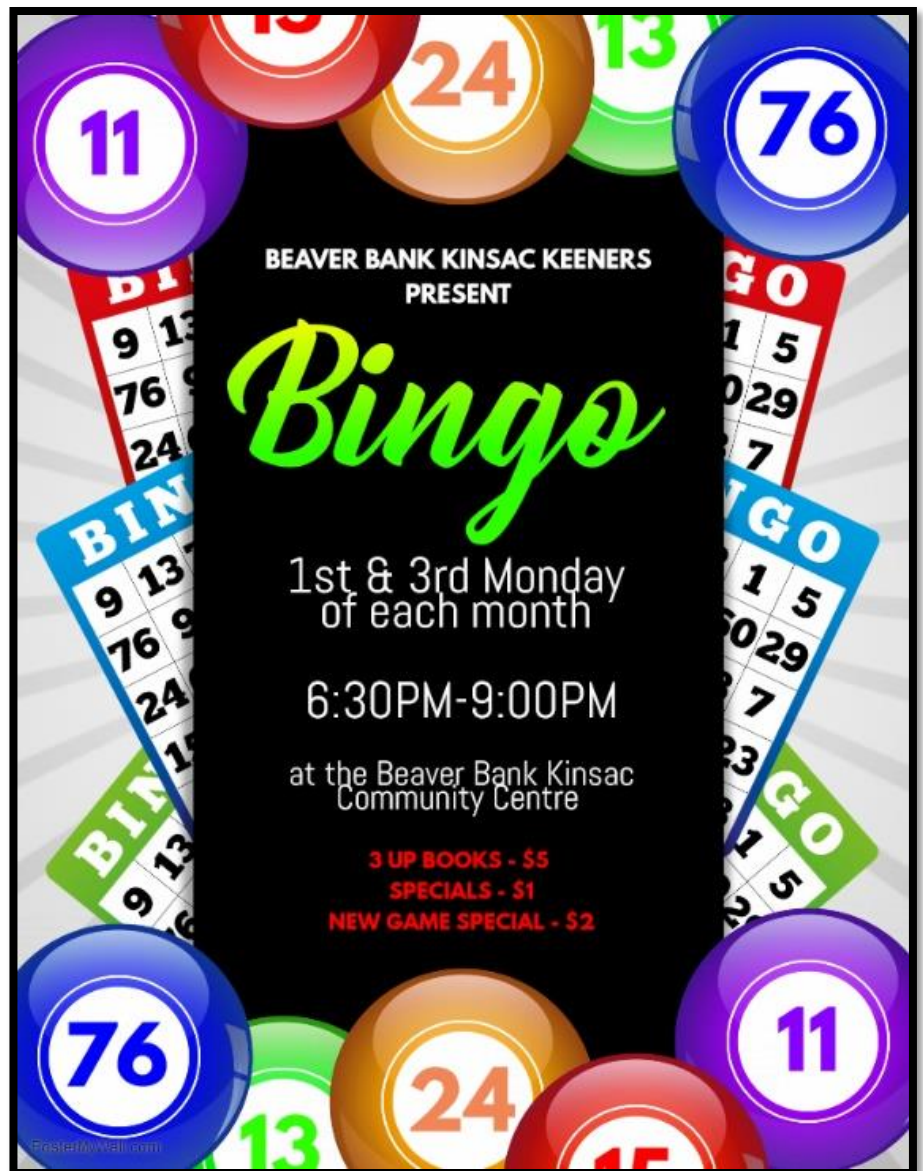

price of \$5.00. Call us to arrange pick up.

Announcements

WHITE-BARNES, Daphne

Age 73, of Halifax

Passed away Sunday, July 7, 2019 with her children at her side. Born Sept 25, 1945, in Garnish, NL. She was the 1st of two daughters born to Raymond & Olive (nee Riggs) White. Daphne is predeceased by her parents, her 1st husband & the father of her children, Clyde Lively, & her 2nd husband, Freland Barnes. She is survived by: Sister, Carol Anne (Lloyd) MacKinnon, & her nephews, Timothy & Alan, Charlottetown, PEI, Children: Sherry Lively (Carman Slaunwhite), Beaver Bank Jamie Lively, Beaver Bank Suzanne Lively (Michael Holleran), Halifax Grandchildren; Lexie, Jessica, & Vivienne. Great-grandchildren; Addison, Bexley, & Violet. Daphne had an active lifestyle, living her life to the fullest, until her health dictated otherwise. Her love of family and friends was a primary focus. Her passion for life-long learning, led her in many directions over the years, including cooking, gardening, oil painting, photography, woodcarving, and woodworking. This thirst for knowledge combined with a natural talent led to her receiving a diploma for a two-year course for Furniture & Cabinetry-making at NSCC. Her energy and zest for life will be missed by all who knew her. Cremation has taken place. A private gathering of family and close friends will be held later, so that out-of-town family members may be able to join us as well. In honor of her memory, & her great love of gardening, we, the family, would like to encourage you to add a new plant or ornament to your own garden, in celebration of Daphne's life.

Shano Patricia Ann (Pat)

It is with great sadness that we announce the passing of Patricia Ann Shano age 67 of Kingston formally of beaverbank surrounded by her loving family at the valley regional hospital, Kentville on the morning of Sunday April 21 2019, Born in Annapolis Royal she was the daughter of Rita (woods) and the late Carrol Burrell. Pat studied nursing at NSCC Dartmouth and went on to work at the Victoria General Hospital, Halifax. After starting a family of her own in Beaverbank Pat and her Husband decided to become foster parents of many children who still carry loving memories of their time spent with her. Pat's love of gardening, swimming, and music came second to the great love she had for her children and grandchildren. She always looked forward to visits, baking all their favorite treats. Pat will be deeply missed by her loving husband of 48 years Ronald Shano; Daughters Tanya, (Kevin) Lindsay, (Cougar) Sons Gerry, Joey (Kelly); Mother Rita Burrell; sister's Mary (Monty), Lynn (Dave), Kim (Rick), her brother Gerry; (Margie); Grandchildren, Alex, Avery, Kaylynn, Connor, Nolan, Grace, Gavin. Pat was predeceased by her dad Carrol Burrell. In keeping with Pat's wishes cremation has taken place with a private family service in Middletown N.S Donations in Memory of Pat may be made to the Crohn's and Colitis foundation of Canada.
