AUCTION 19+

Update from Station 48 – It's a brand-new decade – 2020

Welcome to 2020 and a belated Happy New Year on behalf of the volunteer men and women of the Beaver Bank – Kinsac Volunteer Fire Department.

The Beaver Bank – Kinsac Volunteer Fire Department continues to keep busy responding to emergency calls, training every Tuesday night, and getting out visiting within our beautiful community. In addition, we participated in our Medical First Responder re-certification course which keeps us proficient in our skills for medical assistance calls which makes up about 65% of our call volume. Another little statistic to start the new year, we currently have 21 active firefighters & officers plus 5 support members for a total complement of 26 members.

The call outs for emergency responses continue to keep us busy. We ended 2019 with a total of 171 call outs for assistance. Since the arrival of 2020, the members of the fire department have responded to 7 incidents so far. The breakdown of the 34 callouts that your fire department has responded to since the last issue of the bulletin are as follows. We have responded to 15 medical assists, 7 structure fires (mutual aid), 1 structure fire (our area), 1 car fire, 2 alarm activations, 2 motor vehicle accidents, 2 chimney fires calls, 1 CO detector activation, 1 investigation calls, 1 aircraft

emergency standby, and 1 power line / tree on fire call.

The Beaver Bank Awareness Association continues to work with the fire department in order to provide free civic signs to residents to help first responders find you in the time of an emergency. We encourage anyone who lives in Beaver Bank who does not have a one of these high visibility civic signs to drop by and take advantage of this wonderful opportunity.

Even though we have not received much snow so far this season as compared to

can save precious time in the event we have a fire emergency on your street.

As it is winter, snow and ice will collect on the roads and on your vehicle. Make sure to clean the snow off your vehicle so that you have an un-obstructed view around you, drive for the conditions you are experiencing on the road, give yourself a little more distance between you and the car in front in case of a sudden stop on icy roads, and give yourself a little extra time getting to your destination. We want everyone to get safely home to enjoy the company of family and loved ones.

In the last Update from Station 48 – we were in full swing with our “Fill the Port-A-Tank for the Food Bank” event. This is our second year we have held this event to raise food donations and cash donations for a local food bank in the area. The fire department would like to thank those helped in raising awareness of our event and those that donated food or money for this special initiative. We were able to raise over \$700 dollars in money donations and about 1000lbs of food which we delivered to the Gateway Food Bank on the Beaver Bank Road.

other parts of Atlantic Canada, winter is far from over and you never know when the next blizzard or snow event is around the corner. The fire department would like residents who live in areas where there are fire hydrants, if you could adopt the fire hydrant next to your property for the winter season and keep it clear of ice and snow. The ideal cleared out space is about 3 feet around the hydrant and

On behalf of the volunteers that make up your fire department, I want to thank the community we serve for supporting your local fire department and its members; together our community grows stronger.

Until next time – stay and play safe.

Kevin Crewe – Station Chief

Meet and Greet

Our January Meet and Greet was well attended and was a great success. I would like to thank our sponsor the Beaver Bank Community Awareness Association (BBCAA) with our guest speakers Caitlin Rowe & Tim Ferguson from the Canada Revenue Agency for sharing with us the small business liaison program.

The next Meet and Greet will be held on Wednesday February 12th between 8:30 -9:30am. Our Guest speaker will be Paul Gèrin a Business Development Officer with Canada Business Network to share with us about grants. If you are interested in sponsoring or presenting, you can email us at business@beaverbankbusiness.ca

business.ca or drop into the office on Thursdays.

For our March 12th meet and greet we will have Jennifer O'Quinn join us from CBDC Blue Water to discuss the programs and option available to small businesses.

Remember we are here to help and grow businesses in Beaver Bank.

This month I would like to put out a request to all Beaver Bank Businesses. We are calling on you to contributing a product, gift card or certificate to the Monte Carlo night event hosted by the BBCAA. This will help make the event a success and help to promote our businesses to the greater Beaver Bank

Community that may not be aware of your business.

As a side note we will also have a table setup for Heritage Fun Day's "Our Community Market" Feb 17th between 1 and 4pm at the Beaver Bank Kinsac Community Centre. Hope to see you there.

If you would like more information on the Business Association you can email us at business@beaverbankbusiness.ca or drop into the HUB office on Thursdays 10:00 – 2.

We look forward to sharing our vision of business life in Beaver Bank.

Elmer Grove

FOCUS ON BUSINESS

Presented by the Beaver Bank Business Association

BEAVER BANK AWARENESS

Over the years there is one organization in Beaver Bank that has continually pushed the needs of our community to the forefront and rarely have they been given the full credit for what they have done and continue to accomplish. This group started in the 1970's with an Ad Hoc committee when the proposal for putting a landfill in Beaver Bank was presented. To say the least they were successful but this just started the group to continue looking into other concerns that affected our community. In 1995 this group took on the name "Beaver Bank Community Awareness Association" (BBCAA) with a mandate to focus on enhancing security and awareness while recognizing individuals in Beaver Bank.

The successes of this organization have literally changed the look of Beaver Bank and what is available today. To list all the successes and the people helped through this organization would be quite

the task. I wish to share a few of the BBBA's accomplishments with you in this small list:

- Established and produced the Beaver Bank Kinsac Bulletin
- Promoted and established a Steering Committee to Create a Community Centre for Beaver Bank
- Developed a Community Dividend Fund
- Installed and operate the Community Digital sign
- Financial support given out for scholarships/bursaries, food banks, and local families in need
- Support local stakeholders
- Host the Annual Town Hall to promote awareness and have issues brought out for discussion
- Sponsorship of residential civic signs in support of

the Beaver Bank Volunteer Fire Dept.

- Sponsor Delany Park, Skate park and lost creek park

As I stated this is just a partial list, behind the scene they meet with local Councilors and MLAs to promote the needs of the community and receive updates on proposals that affect our community. Work continues as they look to enhance the ball field area to make it into a more multifunction park that would include trails, benches, picnic area and a band stand for events.

I would encourage everyone to thank this group for their commitment to Beaver Bank and its betterment and secondly join in the events that they host like the Monte Carlo Night in support of the Beaver Bank Kinsac Bulletin and the Beaver Bank community.

Check out their website at beaverbank.ca

Beaver Bank Community Information Hub

Happy New Year from the Hub Team!

As there is a current concern regarding Radon gasses, we remind you that we, at the Hub, have four Radon Kits available for loan. Simply call 902 252-3291 or email bbcommunityhub@gmail.com

Is your current Civic sign readable? Do you require a new one? There are still a few free signs available. Contact us or the Fire Dept.

Tell us a story about Beaver Bank that we can share. During the next few months we are inviting you to help us compile a collection of interesting and informative stories. Volunteers will record interviews which can highlight history down through the years. These could be added to the Fultz House collection or featured in future bulletins (your choice). Call us at 902-252-3291 or check our Facebook page for further information.

The roadside Speed Sign is available. If you have knowledge of a problem traffic area simply call us at 902-252-3291.

SHRED A THON – MAY 30th 9am – 12pm in support of Beacon House

A bag of food donation (or monetary donation) to shred a bag of documents!

Rick, May, Ken, Susan and Rae

Prepare for Spring now by attending a series of three informative presentations/demonstrations being held at the Beaver Bank Kinsac Community Centre, sponsored by the Beaver Bank Kinsac Seniors Association (50+Keeners) and presented by Andrew Lowe.

Wednesday February 26th 1pm until 2:30pm
Pollinators need you – You need Pollinators (Bees etc.)

Wednesday March 4th 1pm until 2:30
Controlled Composting (Vermiculture)- Indoors and Outside

Wednesday March 18th 1pm until 2:30pm
Caring for Garden Tools (including sharpening)

Cost is only \$5.00 per session. Attend all three and be included in a prize drawn on March 18th

Please register ahead by calling 902-252-3291 (Beaver Bank Community Information Hub)

Need a Civic sign?

The Beaver Bank Awareness Association will be giving away FREE Civic signs to residents of Beaver Bank who don't currently have one using the funds raised from the wind turbine project.

You must live in Beaver Bank and have a valid ID with your address upon ordering

Signs can be ordered Tuesday nights at the Beaver Bank Kinsac Volunteer Fire Department between 7-8PM or by calling the Hub at 902-252-3291

Bill's Blog

Happy New Year!

Happy New Year! I want to wish you and your family the best of health and happiness for a prosperous 2020. It has been an honour and a pleasure meeting and working with many of you throughout this past year.

Heritage Day – 2020 Honouree: The Community of Africville

Nova Scotia Heritage Day is an annual opportunity to celebrate different contributions to Nova Scotia's storied past and diverse culture and learn more about our history in the process. This year's Heritage Day is February 17 and will feature the community of Africville. This African Nova Scotian community was located on the shores of the Bedford Basin. Built by the descendants of the Black Loyalist and the Black Refugees who came to Nova Scotia in the late 1700s and early 1800s. The Church was the centre of the community which included a school, post office, and several stores and businesses owned by residents. Throughout the history of Africville, unhealthy and unwanted institutions were placed

within and around the community, deteriorating land values and quality of life. In 2002, Africville received the National Historic Site designation. In 2004, the United Nations declared the treatment and destruction of Africville a crime against humanity. In 2010, Africville received an official apology from the Halifax Regional Municipality.

2019 Marks Second Year of Strong Employment Growth

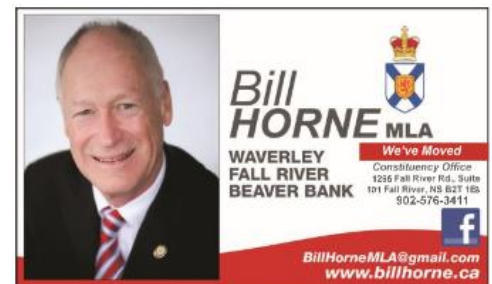

Nova Scotia experienced the fastest employment growth and labour force growth since 2004 last year.

The unemployment rate also averaged 7.2 per cent in 2019, the lowest unemployment rate since the early 1970s. Almost half of the annual job growth is attributable to improved employment for youth. The attraction and retention of youth continues to be a priority for our province. We will continue to support our youth and employers by making investments in programs like the Graduate to Opportunity program, which has attached 1,000 young Nova Scotians to the workforce. Youth aged 15-

24 are experiencing the lowest annual youth unemployment rate since 2007 and Youth employment is up 8.1 per cent in 2019. Many of our young Nova Scotians are finding more employment opportunities and are choosing to stay and work in the province.

Office Hours in Beaver Bank

I will continue to hold office hours in Beaver Bank at the Beaver Bank Kinsac Community Centre on Monday's 1:00 – 3:00 p.m. Please drop in to discuss any issues you may have or just drop in to say hello. If there are any government publications or applications that you would like us to bring, just let us know (902-576-3411). You can look for our Constituency Office sign in the parking lot during these hours. I look forward to seeing you there.

The Beaver Bank Kinsac Community Centre

Happy New Year! I'll start things off with a great big THANK YOU to all our volunteers and community members for supporting another successful Breakfast with Santa! This year, the BBKCC is proud to donate nearly \$400 each to BB Kinsac Elementary, HTB Jr High and Monarch Elementary's breakfast programs! The Easter Bunny is hopping into town on April 4th – mark your calendars!

Tinsel the talking Tree made his return to Beaver Bank this year. The BBKCC was proud to help support the Fire Department's stuff a port a tank initiative. Special thanks to the Sackville Kinsman Club, Brad Johns, all the volunteers who helped out with this event and, of course, the community for coming out to enjoy the show!

We are hiring! We are currently seeking instructors for our spring programs. We are looking for an adult art instructor, a guitar instructor for beginners and fitness instructors! If you or anyone you know might be interested please email us at bbkcc@eastlink.ca.

Chase the Ace is still happening at the BBKCC. Swing in anytime our office is open to grab your tickets! \$5 each, 3 for \$10 or 7 for \$20. You don't have to be there to win but you won't want to miss happy hour from 6:30-7:30 with \$2.50 beer and shots and donair eggrolls and poutine in the kitchen!

Free Family Fun day on February 17th! Stop in for some fun featuring galaxy bounce rentals with laser tag, RC

racers, games, glitter tattoos as well as a community market upstairs!

Check our web site for a full list of drop in programs including darts, Zumba, basketball, volleyball and more!

If you are having an event, big or small, contact us to see how we can help! We have a wide variety of spaces available for all your rental needs! Rates and descriptions can always be found online at www.bbkcc.ca/rentals or you can call us at 902-865-5114 or email bbkcc@eastlink.ca.

- Jessica Gilby

A message from our Chair

Hi Folks, my name is Gord West. I'm the Chair person for the Community Centre Board of Directors and I would like to share a few things with you.

Our Board of Directors (BOD) is made up of volunteers from the community that work very hard to run the Community Centre (CC) so you and I have a place for meetings, dances, weddings, birthday parties, Breakfast with Santa, the Easter Bunny (which is coming up in a couple months) and the list of events goes on. Some of these events are put on by the CC and sometimes take a bit of work and planning to prepare for the event. We have ten members on the BOD right now and could use a couple more. We could also use some members from the community who don't want to be on the BOD but wouldn't mind helping to work, run or plan events for the CC. We could form sub-committees that could look after planning dances, or other

events. This would take the pressure off the board members who have been doing all of this and trying to find more things to put on at the CC. The more people involved in running the CC the less each person has on their plate. This Community Centre is here for the community and if we burn out the folks trying to run it we will have to turn it over to HRM to run. Not sure if that would be a good thing or not. The CC employs members from the community, full time, and some students in the summer for some of the programs we run.

I would like to take this time to thank all the board members for all that they do and also thank those community members who step up and help out at different events, we couldn't do it without you all. If there are folks out there who wouldn't mind giving some time to help out at the Centre give Jess a call during the week and find out what's involved. If you don't have the time to help out, then maybe you could come join us at some of the events and spend some time with some old friends or meet some new ones. Hope to see you at Breakfast with the Easter Bunny on April 4th.

Cheers
Gord West
Chair of BBKCC

From Lisa Blackburn – The Beaver Bank Bus

Below is a summary of transit changes since Lisa has taken office

- In 2016, about a month following my election as Councillor for District 14, the [Moving Forward Together Plan](#) (MFTP) was passed by Regional Council; at which time the routes had already been determined and the public consultation complete.

- I made it very clear that I was not happy with the cancellation of the North Beaver Bank route and questioned the passenger numbers used to justify the cancellation. I felt the numbers were too old and did not accurately reflect those currently using transit. **I asked for a new count to be done in early 2017**; however, the numbers were still below the threshold needed to maintain the service.

- In August 2018, **I asked staff for a report on the possibility of keeping bus service during morning and afternoon peak hours**. That suggestion was voted down by the Transportation Standing Committee and Regional Council in [January 2019](#).

- The current changes were not supposed to happen for another year; however, upgrades to Halifax Transit software meant the changes could be fast-tracked.

- Since January, **I have met with concerned community members to**

discuss alternatives as well as three of the community transit service providers in the province: MusGo Rider, East Hants Rider and West Hants Transit. They all require permission from the provincial Nova Scotia Utility and Review Board (NSUARB) to expand their service area and none were interested in expansion at this time.

- I also studied a [pilot project](#) conducted in Cape Breton** that used local taxi services to provide transit options in rural communities. While great in theory, it requires grants from the municipality to be provided to taxi drivers. **Under the Halifax Charter, we are not permitted to do that** and, amendments to the Halifax Charter can only be made by the provincial government.

- The Ivy Meadows facility does have a bus for residents but was not interested in expanding the service.

- Recently, the province announced a [Rural Ride Share Field Test](#) that uses ride-sharing to help with public transportation in rural areas. **I have written to The Honourable Minister Derek Mombourquette** (see letter below) **asking that North Beaver Bank be considered for the pilot project**

- Unfortunately, none of this means anything to a resident who has taken the bus for 30 years and now has no service. For this, I am very sorry. If I had the ability to demand the route be maintained, it would have been done long ago. Sadly, my powers are limited. Be assured that **I am not done fighting** for North Beaver Bank service. It may mean going back to our roots and the days of the Beaver Bank Bullet - it will take a community effort and I will work with any group in support of such an initiative.

- I have also suggested residents look into [HfxRidematch.ca](#), a carpooling register that could help residents looking for rides.

For the majority of Beaver Bank, the recent changes introduced by Halifax Transit bring a level of Transit Service unheard of in our history. It is my hope that Express Bus Service and a more consistent/expanded schedule will entice residents to take the bus.

Lisa Blackburn

Announcements

A Green Forest Subdivision Christmas Tradition

For the past 22 years, several families in Green Forest Subdivision in Beaver Bank have gone door to door to gather food for their local food bank. The folks in Green Forest have always so generously donated and this year they did it again. On Sunday, Dec 15, 2019 we celebrated our 22nd year of giving. The food was delivered on behalf of the Green Forest folks to Beacon House Food Bank, Gateway Church Food Bank and Monarch Drive Breakfast Program.

Challenge to other Beaver Bank Subdivisions in 2020

In the spirit of Christmas we encourage other subdivisions to consider starting this Christmas tradition. It is such a great opportunity to get involved, build community spirit and to help those who are less fortunate or may have fallen on hard times. It doesn't take much time and the rewards are enormous.

Should you wish to start a Food Bank Drive in your subdivision, please feel free to contact any of us and we can share our experience, tell you how we organized, etc.

Feel free to contact any of the following if you wish to chat about setting up an annual food bank drive for your subdivision.
